

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 952
Version:	INT
Request No.:	1174
Author:	Sen. Scott
Date:	02/01/2019

Bill Analysis

SB 952 creates the Oklahoma Solar Value Act. The measure directs the Oklahoma Corporation Commission to consider recommendations arising out of the study performed by the National Renewable Energy Laboratory and any other study deemed appropriate by the Commission. The Commission shall then adopt rules based on the studies it considered and submit them to the Legislature no later than April 1, 2020.
