

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 984
Version:	INT
Request No.:	605
Author:	Sen. Murdock
Date:	02/03/2019

Bill Analysis

SB 984 authorizes legal residents and nonresidents to purchase a combination hunting and fishing landowner license. The license may be assigned to the landowner's or tenant's siblings and lineal ascendants or descendants and their spouses. The measure sets the license fee at the same rate as the Oklahoma resident annual hunting license. The number of licenses issued to a landowner or his or her relatives shall not exceed one license per eighty acres.

Fiscal Analysis

FY'20 Impact: Unknown impact to fee revenue

Full Year Impact: Unknown impact to fee revenue

SB 984 creates a landowner combination license for landowners to allow certain family members to hunt or fish on their land without a license. The fee is equal to a an annual resident combination license. This would increase revenue for the Department, but could reduce revenue from other licenses that may not be otherwise issued due to the creation of this license.
