

Bill Summary
1st Session of the 57th Legislature

Bill No.:	SB 99
Version:	INT
Request No.:	24
Author:	Sen. Rader
Date:	12/31/2018

Bill Analysis

SB 99 requires hospitals performing surgical procedures to provide a list of procedures they do not perform on weekends to the State Department of Health. The Department must maintain a publically available database containing this list of procedures.
