Fiscal Analysis

FY'20 Impact: Possible, unknown costs

Full Year Impact: Possible, unknown costs

HB 2330 will exempt ODVA from The Oklahoma Central Purchasing Act. It also allows ODVA to grant a preference for property or funds if an entity has 51% ownership by an honorably discharged veteran. There is a possible cost if ODVA grants the preference to a veteran owned entity over a lower bid from a non-veteran owned entity. However, ODVA does not plan on this happening.
