FOR THE COMMISSION

The revenue impact provided herein is an estimate of the potential impact on the collection or apportionment of tax revenues affected by the proposed legislation. It is not intended to be an estimate of the overall fiscal impact on the state budget if the proposed legislation is enacted.

ATTACHMENT TO REVENUE IMPACT – SB 1116– [Introduced] – Prepared 02/22/2020

The measure proposes to amend 68 O.S. § 1356 by exempting from the sales tax levy, sales of articles of clothing to an Oklahoma Chapter of a national organization which is exempt from taxation pursuant 26 U.S.C., § 501(c)(3) and distributes clothing to disadvantaged children through a community-based philanthropic program known as Operation School Bell.

Presently, there are three known local chapters that distribute clothing to disadvantaged children through the Operation School Bell program which could qualify for the sales tax exemption. Information received indicates that the combined chapters paid \$33,141 in state sales tax on their purchases of clothing articles for FY 19.

The measure proposes an effective date of November 1, 2020. Application of inflation rate adjustments of 1.9%¹ results in an estimated decrease in state sales tax collections of \$20,074 for FY 21² and \$35,066 for FY 22 (again applying a 1.9% inflation rate adjustment).

¹ Based on latest version of the Consumer Price Index-All Urban Consumers

² Includes seven months of sales tax collections.
