19 days from receipt of the certificate, or insurance companies may  
20 provide alternate documentation within thirty (30) days pursuant to  
21 subsection P of Section 1105 of this title. The Tax Commission  
22 shall cancel the certificate of title to the vehicle used for junk  
23 or parts and shall preserve the vehicle identification numbers on  
24 the certificate of title in the computer files for at least five (5)

7 vehicle damaged by flooding or other occurrence to the insurer by an  
8 original title, salvage title, or junked title, as may be  
9 appropriate, based upon an estimate of the amount of loss submitted  
10 by the insurer. All license plates surrendered to the Tax  
11 Commission shall be destroyed.

12 C. 1. If an insurance company pays a claim for a loss which is  
13 less than a total loss but the cost of repairing the vehicle for  
14 safe operation on the highway exceeds sixty percent (60%) of the  
15 fair market value of the vehicle, or if any vehicle not insured is  
16 damaged to the extent that the cost of repair for safe operation on  
17 the highway exceeds sixty percent (60%) of the fair market value of  
18 the vehicle, any holder of the certificate of title for the vehicle  
19 shall return the certificate of title to the Tax Commission or a  
20 motor license agent within thirty (30) days from receipt of payment  
21 for the loss.

22 2. Upon receipt of the certificate, the Tax Commission or motor  
23 license agent shall issue a salvage title for the vehicle. The

10 the fair market value of the vehicle as defined in this section, the  
11 certificate of title shall be reissued to the holder and the vehicle  
12 shall not be subject to inspection as required under this section.  
13 The actual documented cost of repairing the vehicle pursuant to this  
14 paragraph shall be certified by the insurance company paying the  
15 loss.

16 D. If a motor vehicle with a salvage title is placed in  
17 operative condition, application shall be made to the Tax Commission  
18 or a motor license agent for a rebuilt title. A visual inspection  
19 of the vehicle and examination of the vehicle identification numbers  
20 shall be conducted prior to the issuance of a rebuilt title. At the  
21 time of issuance, the salvage title shall be returned to the Tax  
22 Commission by the owner, or by the motor license agent if the motor  
23 license agent issues the rebuilt title. A visual inspection shall  
24 also be made of any out-of-state vehicle to be registered and titled

16 accurately describes the motor vehicle in question,  
17 and

19 rollback or alteration.

20 2. All vehicle damage shall be repaired before the examination  
21 is conducted. The following paperwork shall be presented to the  
22 motor license agent: the salvage title and original receipts for  
23 all parts placed on the vehicle. Components such as doors, motor,

2 or removed from.

3 F. The visual inspection and vehicle identification numbers  
4 examination shall be performed by a motor license agent at the  
5 location designated by the motor license agent. If the location of  
6 the inspection is not the place of business of the rebuilder, the  
7 motor license agent shall issue a permit authorizing the applicant  
8 to operate the vehicle upon the public streets, roads, and highways  
9 in route to and from the designated location for the inspection.  
10 The inspection and examination shall be performed within ten (10)  
11 working days after the owner of the vehicle requests the inspection  
12 and examination. Requests shall be made by completing the request  
13 form prescribed and provided by the Tax Commission.

14 G. Inspection and examination of a rebuilt vehicle shall be  
15 performed by a person employed by a motor license agent.

1 allegedly arising out of the inspection of a vehicle or any acts or  
2 omissions in the performance of the inspection. The motor license  
3 agent may be held liable for any damages to the vehicle caused by  
4 the negligent acts or omissions in the performance of the  
5 inspection. Any person may be liable for any damages to a vehicle  
6 caused by the intentional acts or omissions in the performance of  
7 the inspection.

8 I. The rebuilt title and any subsequent transfers of such title  
9 shall also reflect that the vehicle was a salvage vehicle, flood-  
10 damaged vehicle or recovered-theft vehicle, if applicable, and also  
11 shall include the salvage date.

23 payment of additional registration fees or excise taxes, upon the  
24 submission of a police report or insurance adjuster's report and a

1 declaration by the insurer that the vehicle is held for sale to a  
2 dealer. If the owner of the vehicle or other insured retains  
3 ownership of the damaged vehicle, the Tax Commission shall notify  
4 the owner or insured of the requirements of this section.

5 L. Any insurance company that pays a claim for a loss where the  
6 cost of repairing the vehicle for safe operation on the highway  
7 exceeds sixty percent (60%) of the market value of the vehicle or  
8 pays a claim for a flood-damaged vehicle as defined in Section 1105  
9 of this title shall notify, in writing, the holder of the  
10 certificate of title of the requirements of this section and shall  
11 notify the Tax Commission of the payment of such claim. The notice  
12 shall include the estimated total damage percentage determination of  
13 the actual cash value made by the insurance company to repair the  
14 vehicle for safe operation on the highway. The insurance company  
15 shall also send a copy of the notification to the holder of the  
16 title. The Tax Commission shall provide notice to the owner of the

22 "Flood Damaged" on the face of the title in the case of a flood-  
23 damaged vehicle; provided, no insurance company shall pay a claim  
24 for less than the amount to which the holder of the certificate of

1 title is rightfully entitled in order to avoid compliance with this  
2 section.

7 Hundred Dollars (\$300.00) or by incarceration in the county jail for  
8 not more than six (6) months, or by both the fine and incarceration.

10 title is not the proper type for the vehicle and, with intent to  
11 misrepresent the vehicle, fails to make the appropriate title  
12 changes, shall be guilty of a misdemeanor. Any person who has
