Section 3-142. A. For purposes of funding, a charter school sponsored by a board of education of a school district shall be considered a site within the school district in which the charter school is located. The student membership of the charter school shall be considered separate from the student membership of the district in which the charter school is located for the purpose of calculating weighted average daily membership pursuant to Section 18-201.1 of this title and State Aid pursuant to Section 18-200.1 of

1 this title. For charter schools sponsored by a board of education
2 of a school district, the sum of the separate calculations for the
3 charter school and the school district shall be used to determine
4 the total State Aid allocation for the district in which the charter
5 school is located. A charter school shall receive from the
6 sponsoring school district, the State Aid allocation and any other
7 state-appropriated revenue generated by its students for the
8 applicable year, less up to five percent (5%) of the State Aid
9 allocation, which may be retained by the school district as a fee
10 for administrative services rendered. For charter schools sponsored
11 by the board of education of a technology center school district, a
12 higher education institution, the State Board of Education, or a
13 federally recognized Indian tribe and for statewide virtual charter
14 schools sponsored by the Statewide Virtual Charter School Board, the

16 the State Board of Education and not more than five percent (5%) of
17 the State Aid allocation may be charged by the sponsor as a fee for
18 administrative services rendered. The State Board of Education
19 shall determine the policy and procedure for making payments to a
20 charter school. The fee for administrative services as authorized
21 in this subsection shall only be assessed on the State Aid
22 allocation amount and shall not be assessed on any other
23 appropriated amounts.

2 of operation of a charter school shall be determined initially by
3 multiplying the actual enrollment of students as of August 1 by
4 1.333. The charter school shall receive revenue equal to that which
5 would be generated by the estimated weighted average daily
6 membership calculated pursuant to this paragraph. At midyear, the
7 allocation for the charter school shall be adjusted using the first
8 quarter weighted average daily membership for the charter school
9 calculated pursuant to subsection A of this section.

10 2. For the purpose of calculating weighted average daily
11 membership pursuant to Section 18-201.1 of this title and State Aid
12 pursuant to Section 18-200.1 of this title, the weighted average
13 daily membership for the first year of operation ~~and each year~~
14 ~~thereafter~~ of a full-time virtual charter school shall be determined
15 by multiplying the actual enrollment of students as of August 1 by
16 1.333; provided, that for each year thereafter, the average daily
17 membership shall be determined by the end-of-year average daily
18 membership of the preceding school year multiplied by the average
19 weight for each student. The full-time virtual charter school shall
20 receive revenue equal to that which would be generated by the
21 estimated weighted average daily membership calculated pursuant to
22 this paragraph. At midyear, the allocation for the full-time
23 virtual charter school shall be adjusted using the first quarter
24

1 weighted average daily membership for the virtual charter school
2 calculated pursuant to subsection A of this section.

3 C. A charter school shall be eligible to receive any other aid,
4 grants or revenues allowed to other schools. A charter school

8 considered a local education agency for purposes of funding. A
9 charter school sponsored by a board of education of a school
10 district shall be considered a local education agency for purposes
11 of federal funding.

18 from lenders. If the governing body of the charter school borrows

20 the debt, and the state or the sponsor shall not in any way be
21 responsible or obligated to repay the debt.
