10 participating employer prior to the entry date of his or her  
11 employer whether or not continuous and whether or not he or she was  
12 employed with a participating employer on such entry date, provided  
13 that any member who has retired before the passage of Section 901 et

18 retirant, upon making proper written application therefor, shall  
19 receive prior service credit for service with such employer in the  
20 same manner as if such participating employer had been a  
21 participating employer on the date first eligible to become a  
22 participating employer; and increased benefits attributable to such  
23 increased prior service credit shall commence with the next monthly  
24 benefit payment due following receipt and approval of such

1 application by the Board of Trustees. No prior service shall be

17 years, for those periods of active military service during which he  
18 or she was a war veteran. For a member of the System hired on or

20 this paragraph is used to compute the retirement benefit of the  
21 member and the member retires from the System, such military service  
22 credit shall not be used to compute the retirement benefit in any  
23 other retirement system created pursuant to the Oklahoma Statutes

1 retirement system from which the member first retires. For any  
2 period of military service in the Armed Forces of the United States,  
3 including the United States Army, the United States Marines, the  
4 United States Navy, the United States Air Force, any reserve

12 paragraph, such service may be purchased by the member at actuarial  
13 cost as prescribed by Section 913.5 of this title and subject to all  
14 requirements for the purchase of service credit at actuarial cost.  
15 Service credit purchased pursuant to the provisions of this  
16 paragraph may be purchased by any member, whether or not the member  
17 has an interruption in participating service followed by another  
18 period of participating service, if the service is purchased while

21 4. An elective state, county, city or town official who is  
22 ineligible for membership as a result of any applicable state law or  
23 constitutional provision making him or her ineligible solely because  
24 of his or her being such an official at the time of his or her

1 eligibility for membership at the time his or her employer becomes a  
2 participating employer shall nevertheless not forfeit the prior  
3 service credit to which he or she would be entitled except for such  
4 ineligibility, provided that he or she either:

- 5 a. becomes an employee of a participating employer within  
6 four (4) calendar months of the expiration of his or  
7 her term of office current at the time of his or her  
8 eligibility except for his or her being an elective  
9 state or county official, or
- 10 b. within a period of four (4) years after the expiration  
11 of his or her term of office current at the time of  
12 his or her eligibility except for his or her being an  
13 elective state or county official, is elected as a  
14 state or county official and thereupon becomes a

17 the date of his or her eligibility for membership  
18 except for his or her being an elective state or  
19 county official;

20 5. Beginning July 1, 1965, all employees of the Department of  
21 Human Services shall participate in the Oklahoma Public Employees  
22 Retirement System to the same extent as other employees of  
23 participating employers in such System. Provided, that any employee  
24 performing teaching services in the Oklahoma School for the Deaf or  
25

1 the Oklahoma School for the Blind may elect to participate in the  
2 Teachers' Retirement System of Oklahoma in lieu of the Oklahoma  
3 Public Employees Retirement System; and any other employee at each  
4 such institution or any other institution under the jurisdiction of  
5 the Department of Human Services, participating in the Teachers'  
6 Retirement System of Oklahoma, may elect to continue to participate  
7 in such System in lieu of the Oklahoma Public Employees Retirement  
8 System. All employees who shall have participated in the Teachers'  
9 Retirement System of Oklahoma and not continuing therein shall have  
10 the right to withdraw their membership from the Teachers' Retirement  
11 System of Oklahoma on the same terms as other members withdrawing  
12 from such System before retirement. Provided, all persons employed  
13 at the Oklahoma School for the Blind and Oklahoma School for the  
14 Deaf on June 30, 1965, who became subject to the Oklahoma Public  
15 Employees Retirement System, on July 1, 1965, shall receive credit  
16 for prior service and be eligible for participation, regardless of  
17 age;

18 6. A member employed as a temporary employee by the Legislative  
19 Service Bureau or its predecessors, the State Senate or the House of  
20 Representatives for the full duration of a regular legislative  
21 session prior to the member's eligibility for membership in the  
22 System shall receive six (6) months of prior service credit for each  
23 such full regular legislative session if the employee is employed by  
24 the Legislative Service Bureau or its predecessors, the State Senate

1 or the House of Representatives as either a full-time or temporary  
2 employee for a minimum of six (6) full regular legislative sessions  
3 beginning January 1, 1983. For purposes of this subsection, the  
4 determination of whether an employee is employed for the full  
5 duration of a regular legislative session shall be made by the  
6 Legislative Service Bureau if such employee is employed by the  
7 Legislative Service Bureau, the State Senate if such employee is  
8 employed by the State Senate, or by the House of Representatives if  
9 such employee is employed by the House of Representatives;

10 7. A member of the System shall receive prior service credit  
11 for any years of service after January 1, 1975, the member had with  
12 a participating employer if the member is not receiving or eligible  
13 to receive such prior service credit for the same time in any other  
14 state or county retirement system authorized by law. To receive the  
15 service credit, the member shall pay the amount determined by the  
16 Board pursuant to Section 913.5 of this title; and

17 8. Any member who is a state employee and receives temporary  
18 total disability benefits during the period of absence with a  
19 participating employer due to a work-related injury or illness  
20 incurred while engaged in a governmental function for said  
21 participating employer pursuant to the Workers' Compensation Act  
22 shall receive credit for participating service during said period of  
23 absence subject to the following requirements:

- 1 a. the member was employed by the participating employer  
2 immediately prior to and during the period of absence,  
3 b. the member must notify the System in writing not later  
4 than four (4) months after the member's return to his  
5 or her job duties with the participating employer, or  
6 termination of employment with the participating  
7 employer, or termination of the temporary total  
8 disability benefits, whichever is earlier, of the  
9 member's desire to receive participating service  
10 credit for the period of absence,  
11 c. the participating employer must certify to the System  
12 in writing the dates during which temporary total  
13 disability benefits payments were paid to the member,  
14 and  
15 d. the member and the participating employer shall each  
16 pay their respective contributions required for the  
17 period of absence without interest within sixty (60)  
18 days of invoicing by the System, or with interest of  
19 seven and one-half percent (7 1/2%) compounded  
20 annually if paid after said sixty (60) days.

21 B. Participating service shall be credited as follows:

- 22 1. A member shall receive credit for participating service with  
23 a participating employer in accordance with the rules and  
24 regulations established by the Board; provided, however, that a

1 member who is not a full-time employee shall receive prorated credit  
2 for actual hours worked;

3 2. Leaves of absence shall not count as a break in continuous  
4 employment provided the member leaves his or her accumulated  
5 contribution on deposit with the fund; however, the leaves of  
6 absence shall not be credited except that involuntary furloughs  
7 established by Office of Management and Enterprise Services rules,  
8 involuntary furloughs of employees of a district attorney conducted  
9 in substantial compliance with the rules of the Office of Management  
10 and Enterprise Services as certified by the District Attorneys  
11 Council, involuntary furloughs of employees pursuant to a furlough  
12 plan adopted by the President Pro Tempore of the Senate or the  
13 Speaker of the House of Representatives as authorized in Section  
14 840-5.1 of this title and involuntary furloughs of employees  
15 authorized by the Oklahoma Supreme Court shall be credited;

16 3. Any member who has served in the Armed Forces of the United  
17 States, as defined in paragraph (23) of Section 902 of this title,  
18 shall be granted participating service for those periods of active  
19 military service during which he or she was a war veteran provided  
20 this service is immediately preceded by a period of employment with  
21 a participating employer and is followed by return to employment as  
22 an employee with the same or another participating employer within  
23 ninety (90) days immediately following discharge from such military  
24

1 service provided the member leaves his or her accumulated  
2 contributions on deposit with the fund;

3 4. A period of total disability under the System immediately  
4 followed by employment with a participating employer, shall not  
5 count as a break in continuous employment; provided, that such  
6 periods while not employed shall not be credited except that  
7 involuntary furloughs established by Office of Management and  
8 Enterprise Services Rule 6.13, shall be credited;

9 5. Termination of employment with a participating employer  
10 followed by employment with the same or another participating  
11 employer within four (4) calendar months shall not constitute a  
12 break in continuous employment; provided, that such period while not  
13 employed shall not be credited as participating service;

14 6. Provided, however, that all employee contributions required  
15 by this act made by employees prior to June 30, 1977, will entitle  
16 the employee to additional years of participating service in  
17 accordance with the following schedule.

18 Employee accumulated contributions:

19 More than \$1.00 up to \$500	= 1 year participating service
20 More than \$500 up to \$1,000	= 2 years participating service
21 More than \$1,000 up to \$1,500	= 3 years participating service
22 More than \$1,500 up to \$2,000	= 4 years participating service
23 More than \$2,000	= 5 years participating service

1 In no event shall the employee be entitled to more than five (5)  
2 additional years of participating service as provided hereunder.

3 Provided further, that upon termination of employment prior to  
4 retirement, the accumulated contributions will be credited as above  
5 indicated to establish a vested benefit if so elected by any such  
6 employee; and

- 7 7. a. The total participating service credit of a member who  
8 retires or terminates employment and elects a vested  
9 benefit shall include not to exceed one hundred thirty  
10 (130) days of unused sick leave accumulated subsequent  
11 to August 1, 1959, during the member's employment with  
12 any participating employer. Such credit shall be  
13 added in terms of whole months. Twenty (20) days of  
14 unused sick leave shall equal one (1) month for  
15 purposes of participating service credit. If unused  
16 sick leave entitles a member to an additional year of  
17 service credit, the member's employer shall reimburse  
18 the System for the cost of funding the additional  
19 benefit. For members who join the System on or after  
20 November 1, 2012, if unused sick leave entitles a  
21 member to any additional service credit, the member's  
22 employer shall reimburse the System for the cost of  
23 funding the additional benefit. Each participating  
24 employer shall provide the System with adequate and

1           timely information necessary to determine additional  
2           benefits and its cost under this paragraph. This  
3           subparagraph shall apply to members retiring or  
4           vesting on or after July 1, 1984.

5           b. For members who join the System on or after November  
6           1, 2012, unused sick leave as set forth in  
7           subparagraph a of this paragraph shall be credited at  
8           the same rate but not used to round up to another  
9           year. Instead, any additional months of unused sick  
10          leave credit shall be added to other service credit  
11          without rounding.

12          c. In determining the number of years of credited service, a  
13          fractional year of six (6) months or more shall be considered as one  
14          (1) year, and less than six (6) months shall be disregarded. For  
15          members who join the System on or after November 1, 2012, the number  
16          of years of credited service shall be based on actual years and full  
17          months of credited service without rounding up or down.

18          d. A member may receive credit for those years of credited  
19          service accumulated by the member while a member of the Oklahoma  
20          Firefighters Pension and Retirement System, the Oklahoma Police  
21          Pension and Retirement System, the Uniform Retirement System for  
22          Justices and Judges, the Oklahoma Law Enforcement Retirement System,  
23          or the Teachers' Retirement System of Oklahoma, if the member is not  
24          receiving or eligible to receive retirement credit or benefits from

1 said service in any other public retirement system. To receive the  
2 service credit, the member shall pay the amount determined by the  
3 Board pursuant to Section 913.5 of this title.

4 E. A member may receive credit for those years of service  
5 accumulated by the member as an elected official if the member is  
6 not receiving or eligible to receive retirement credit or benefits  
7 from said service in any public retirement system. Prior to January  
8 1, 1991, to receive the service credit, the member shall pay to the  
9 Board for each year of service purchased pursuant to this subsection  
10 a sum equal to the employee and employer contribution rate that  
11 would have been applicable to the member as determined by the Board  
12 and interest of not to exceed five percent (5%), and effective  
13 January 1, 1991, to receive the service credit, the member shall pay  
14 the amount determined by the Board pursuant to Section 913.5 of this  
15 title.

16 F. Effective December 12, 1994, and thereafter, a leave of  
17 absence on account of a period of qualified military service in the  
18 uniformed services of the United States within the meaning of  
19 Section 414(u)(5) of the federal Internal Revenue Code, followed by  
20 a return to employment with the participating employer within ninety  
21 (90) days after completion of the period of service may be eligible  
22 for credited service under this System. Notwithstanding any  
23 provision of this plan to the contrary, contributions, benefits and

2 Revenue Code.

3 G. 1. An active member of the Oklahoma Public Employees  
4 Retirement System may receive credit for those years of service  
5 accumulated by the member while a member of the Teachers' Retirement  
6 System of Oklahoma if:

- 7 a. the member is an active member of the Oklahoma Public  
8 Employees Retirement System, and
- 9 b. the member provides notice to the Teachers' Retirement  
10 System of Oklahoma and the Oklahoma Public Employees  
11 Retirement System of the member's election to transfer  
12 said retirement credit. The notice shall include a  
13 list of the years to be transferred, and
- 14 c. the member is not receiving or eligible to receive  
15 retirement credit or benefits from said service in any  
16 other public retirement system, notwithstanding the  
17 years of service sought to be transferred under this  
18 subsection.

19 Members electing to take advantage of the transfer authorized by  
20 this subsection who are receiving or eligible to receive retirement  
21 credit or benefits from said service in any other public retirement  
22 system shall have all service credit with the Teachers' Retirement  
23 System of Oklahoma canceled which is not transferred to the Oklahoma  
24 Public Employees Retirement System or used as a cash offset in such

1 a transfer pursuant to subparagraph d of paragraph 2 of this  
2 subsection. Service credit transferred to the Teachers' Retirement  
3 System of Oklahoma under this subsection shall also be canceled with

10 sending system shall, according to its own rules and  
11 regulations:

12 (1) for members who have vested with the sending  
13 system, determine the present value of the  
14 member's earned benefits attributable to the  
15 years of service sought to be transferred,  
16 discounted according to the member's age at the  
17 time of transfer and computed as of the earliest  
18 age at which the member would be able to retire.  
19 Said computation shall assume an unreduced  
20 benefit and be computed using interest and  
21 mortality assumptions consistent with the  
22 actuarial assumptions adopted by the Board of  
23 Trustees for purposes of preparing the annual  
24 actuarial evaluation but shall not make any

1 projections regarding future salary. For vested  
2 employees the sending system shall use the  
3 product of this calculation for purposes of  
4 determining the transfer fee to be paid by the  
5 employee under subparagraph c of this paragraph  
6 so long as it is greater than the product of the  
7 calculation in this division, and

- 8 (2) determine the sum of the employee and employer  
9 contributions applicable to the years of service  
10 sought to be transferred plus interest consistent  
11 with the actuarial assumptions adopted by the  
12 Board of Trustees for purposes of preparing the  
13 annual actuarial evaluation. For all nonvested  
14 members, and for vested members if the product of  
15 this calculation is greater than the product of  
16 the calculation in division (1) of this  
17 subparagraph, the sending system shall use the  
18 product of this calculation for purposes of  
19 determining the amount to be transferred by the  
20 sending system under subparagraph c of this  
21 paragraph and any transfer fee to be paid by the  
22 members under subparagraph d of this paragraph.

- 23 b. Within thirty (30) days after notification of an  
24 intent to transfer is received by the receiving  
25

1 system, the receiving system shall determine,  
2 according to the system's own rules and regulations,  
3 the present value of the member's incremental  
4 projected benefits discounted according to the  
5 member's age at the time of the transfer. Incremental  
6 projected benefits shall be the difference between the  
7 projected benefit said member would receive without  
8 transferring the service credit and the projected  
9 benefit after transfer of service credit computed as  
10 of the earliest age at which the member would be able  
11 to retire. Said computation shall assume an unreduced  
12 benefit and be computed using interest, salary  
13 projections and mortality assumptions consistent with  
14 the actuarial assumptions adopted by the Board of  
15 Trustees for purposes of preparing the annual  
16 actuarial evaluation.

- 17 c. The sending system shall, within sixty (60) days from  
18 the date notification of an intent to transfer is  
19 received by the sending system, transfer to the  
20 receiving system the amount determined in subparagraph  
21 a of this paragraph. Except, if the cost under  
22 subparagraph a of this paragraph for the same years of  
23 service to the sending system is greater than the  
24 actuarial value of the incremental benefit in the

1 receiving system, as established in subparagraph b of  
2 this paragraph, the sending system shall send the  
3 receiving system an amount equal to the actuarial  
4 value of the incremental projected benefit in the  
5 receiving system.

6 d. In order to receive the credit provided for in  
7 paragraph 1 of this subsection, if the cost of the  
8 actuarial value of the incremental benefit to the  
9 receiving system is greater than the cost as  
10 calculated under subparagraph a of this paragraph for  
11 the same years of service to the sending system as  
12 established in subparagraphs a and b of this  
13 paragraph, the employee shall elect to:

- 14 (1) pay any difference to receive full credit for the  
15 years sought to be transferred, or
- 16 (2) receive prorated service credit for only the  
17 amount received from the Teachers' Retirement  
18 System of Oklahoma pursuant to this subsection.

19 Such an election shall be made in writing, filed with  
20 the System prior to receiving the credit provided for  
21 in paragraph 1 of this subsection, and shall be  
22 irrevocable.

23 3. Within sixty (60) days of successfully completing all of the  
24 requirements for transfer under this subsection, the sending system

1 shall pay the receiving system any amount due under this subsection.

2 Within sixty (60) days of successfully completing all of the  
3 requirements for transfer under this subsection, the member shall  
4 pay the receiving system any amount due under this subsection. In  
5 the event that the member is unable to pay the transfer fee provided  
6 for in this subsection by the due date, the Board of Trustees of the  
7 receiving system shall permit the member to amortize the transfer  
8 fee over a period not to exceed sixty (60) months. Said payments  
9 shall be made by payroll deductions unless the Board of Trustees  
10 permits an alternate payment source. The amortization shall include  
11 interest in an amount not to exceed the actuarially assumed interest  
12 rate adopted by the Board of Trustees for investment earnings each  
13 year. Any member who ceases to make payment, terminates, retires or  
14 dies before completing the payments provided for in this section  
15 shall receive prorated service credit for only those payments made,  
16 unless the unpaid balance is paid by said member, his or her estate  
17 or successor in interest within six (6) months after said member's  
18 death, termination of employment or retirement, provided no  
19 retirement benefits shall be payable until the unpaid balance is  
20 paid, unless said member or beneficiary affirmatively waives the  
21 additional six-month period in which to pay the unpaid balance.

22 4. Years of service transferred pursuant to this subsection  
23 shall be used both in determining the member's retirement benefit  
24 and in determining the years of service for retirement and/or

1 vesting purposes. Years of service rendered as a member of the  
2 Teachers' Retirement System of Oklahoma prior to July 1, 1992, if  
3 any, shall be deemed to be years of service rendered as a member of  
4 the Oklahoma Public Employees Retirement System prior to July 1,  
5 1992, and shall qualify such person as a member of the Oklahoma  
6 Public Employees Retirement System before July 1, 1992.

7 5. Notwithstanding the requirements of Section 17-104 of Title  
8 70 of the Oklahoma Statutes, members electing to take advantage of  
9 the transfer authorized by this subsection who have withdrawn their  
10 contributions from the sending system shall remit to the sending  
11 system the amount of the accumulated contributions the member has  
12 withdrawn plus simple interest of ten percent (10%) per annum prior  
13 to making said election or the election shall be deemed invalid and  
14 the transfer shall be canceled. If such an election is deemed  
15 invalid and the transfer is canceled, the accumulated contribution  
16 remitted to the sending system by the member who originally withdrew  
17 their contributions shall be returned to the member. The member's  
18 rights and obligations regarding any service credit reestablished in  
19 the sending system due to a failure to satisfy the requirements of  
20 this subsection shall be determined by the sending system in  
21 accordance with Section 17-101 et seq. of Title 70 of the Oklahoma  
22 Statutes.

23 6. If any member fails for any reason to satisfy the  
24 requirements of this subsection, the election to transfer retirement  
25

1 credit shall be void and of no effect, and any retirement credited  
2 as a result of this transfer shall be canceled. If such retirement  
3 credit is canceled, the years of canceled retirement credit which  
4 were unsuccessfully transferred to the receiving system from the  
5 sending system shall be reestablished in the sending system. The  
6 member's rights and obligations regarding any retirement credit  
7 reestablished in the sending system due to a failure to satisfy the  
8 requirements of this subsection shall be determined by the sending  
9 system in accordance with Section 17-101 et seq. of Title 70 of the  
10 Oklahoma Statutes.

11 7. The Board of Trustees shall promulgate such rules as are  
12 necessary to implement the provisions of this subsection.

13 H. 1. A member of the Teachers' Retirement System of Oklahoma

17 and Technology Education, Oklahoma Department of Career and  
18 Technology Education, Oklahoma School of Science and Mathematics,  
19 Oklahoma Center for the Advancement of Science and Technology, State  
20 Department of Rehabilitation Services, Oklahoma State Regents for  
21 Higher Education, Department of Corrections, State Department of  
22 Education, Oklahoma Board of Private Vocational Schools, Board of  
23 Regents of Oklahoma Colleges, Oklahoma Student Loan Authority, or  
24 the Teachers' Retirement System of Oklahoma, may elect to receive

1 credit for those years of service accumulated by the member in the  
2 Teachers' Retirement System of Oklahoma, pursuant to this  
3 subsection. A member shall be eligible to elect to transfer credit  
4 for such years of service from the Teachers' Retirement System of  
5 Oklahoma to the Oklahoma Public Employees Retirement System if:

- 6 a. the member is an active member of the Oklahoma Public  
7 Employees Retirement System,
- 8 b. the member provides notice to the Teachers' Retirement  
9 System of Oklahoma and the Oklahoma Public Employees  
10 Retirement System of the member's election to transfer  
11 such retirement credit. The notice shall include a  
12 list of the years to be transferred, and
- 13 c. the member is not receiving or eligible to receive  
14 retirement credit or benefits from such service in any  
15 other public retirement system, notwithstanding the  
16 years of service sought to be transferred under this  
17 subsection.

18 Members electing to take advantage of the transfer authorized by  
19 this subsection shall have all service credit with the Teachers'  
20 Retirement System of Oklahoma canceled which is transferred to the  
21 Oklahoma Public Employees Retirement System.

22 2. For purposes of this subsection, the "sending system" shall  
23 mean the Teachers' Retirement System of Oklahoma. The "receiving  
24 system" shall mean the Oklahoma Public Employees Retirement System.

1 Within thirty (30) days after notification of an intent to transfer  
2 is received by the sending system, the sending system shall,  
3 according to its own rules, send to the receiving system all  
4 employer and employee contributions made on behalf of the member  
5 which were made to the sending system plus an additional amount of  
6 earnings based on the actuarial assumed rate of the sending system.  
7 Upon receipt of these contributions by the receiving system, the  
8 receiving system shall give credit to the transferring member in an  
9 amount equal to the years of service accrued in the sending system.

10 3. If the transferring member's normal retirement date  
11 calculation is based upon the sum of the member's age and number of  
12 years of credited service totaling eighty (80) in the sending  
13 system, then the member shall retain such calculation in the  
14 receiving system.

15 4. The Board of Trustees shall promulgate such rules as are  
16 necessary to implement the provisions of this subsection.

17 I. A member of the System in the employment of the Governor,

20 shall be irrevocable and on a form prescribed for such purpose by  
21 the System, to continue participation in the System upon becoming  
22 employed by a participating employer of the Teachers' Retirement  
23 System of Oklahoma. The Board shall promulgate all rules necessary  
24 to implement the provisions of this subsection.
