6 providing rail service to a qualifying project; and

7 8. "Project tax credit amount" means the amount of tax credits
8 allocated by Oklahoma Department of Commerce to a qualifying project
9 for qualified economic development and initial infrastructure
10 expenditures.

11 B. For tax years beginning after December 31, 2022, and ending
12 not later than December 31, 2027, there shall be allowed a credit
13 against the tax imposed pursuant to Section 2355 of Title 68 of the
14 Oklahoma Statutes in an amount not to exceed ten percent (10%) of an
15 eligible entity's qualified economic development expenditures,
16 subject to limitations, determination, and allocation by the

18 C. The total project tax credit amount may not exceed ten

15 F. The issuance of the project tax credit amount shall be
16 subject to review of eligible expenditures and qualifying project
17 status by the Oklahoma Department of Commerce.

18 G. The credits authorized pursuant to this section may not be
19 used to reduce the tax liability of the taxpayer to less than zero
20 (0).

21 H. The credits allowed pursuant to this section that are not
22 used may be assigned to a qualifying project affiliate by written
23 agreement at any time during the five (5) years following the tax

1 subsection, a "qualifying project affiliate" shall include a
2 customer, vendor, project investor, or strategic finance partner of
3 the eligible entity subject to the Oklahoma corporate or individual
4 income tax. The eligible taxpayer and the qualifying project

22 percentage adjustment formula for subsequent years. The Tax
23 Commission shall annually calculate and publish by the first day of
24 the affected year a percentage by which the credits authorized by

1 this section shall be reduced so the total amount of credits used to
2 offset tax does not exceed Twelve Million Dollars (\$12,000,000.00)
3 annually per year. The formula to be used for the percentage
4 adjustment shall be Twelve Million Dollars (\$12,000,000.00) annually
5 divided by the credits claimed in the second preceding year.

6 K. 1. The Oklahoma Tax Commission may promulgate rules, forms,
7 and regulations as are necessary to implement and administer the
8 provisions of this section and certify the tax credit amount
9 generated by each qualifying project annually.

10 2. The Oklahoma Department of Commerce shall promulgate rules
11 to permit verification of the eligibility of a qualifying project
12 for the purpose of claiming the credit. The rules shall provide for
13 the approval of qualified economic development expenditures prior to
14 commencement of a project and provide a certificate of verification
15 upon completion of a project that uses qualified economic
16 development expenditures. The certificate of verification shall

18 to the eligibility of the eligible taxpayer claiming the credit.
