Section 570.11 A division order or transfer order is an instrument prepared by the operator, the first purchaser of the production or holder of proceeds for the purpose of directing the

1 distribution of proceeds from the sale of oil, gas, casinghead gas
2 or other related hydrocarbons which warrants in writing the division
3 of interest and the name, address and tax identification number of

5 ownership. Any owner legally entitled to receive a distribution of
6 production proceeds may prepare and submit to the operator, the

12 to enable the first purchaser of the production or holder of
13 proceeds to make remittance of proceeds directly to the owners
14 legally entitled thereto and does not relieve the lessee of any
15 liabilities or obligations under the oil and gas lease. Terms of a

18 the affected parties. This subsection shall only apply to division
