18 or other position unless the computation of benefits would result in
19 a lower retirement benefit amount than if final average compensation
20 were to be computed as otherwise provided by this paragraph. "Final
21 average compensation" shall be determined by computing the average
22 annual salary for the highest five (5) of the last ten (10) years of
23 participating service immediately preceding retirement or
24

1 termination of employment, with respect to members whose first
2 participating service occurs on or after July 1, 2013.

14 average compensation of the member, but not exceeding the maximum
15 compensation level as provided in paragraph (18) of Section 902 of
16 this title, multiplied by the number of years of service with the
17 Department of Corrections and any years in excess of twenty (20)
18 years with the Department or years credited to the member in
19 accordance with the provisions of Section 913 of this title, shall
20 be calculated for retirement purposes at two percent (2%) of the
21 final average compensation of the member multiplied by the number of
22 years of such service. For purposes of this paragraph, "final
23 average compensation" shall be determined by computing the average
24 annual salary, in the manner prescribed by paragraph (18) of Section

902 of this title, for the highest three (3) years of the last ten (10) years of participating service immediately preceding retirement or termination of employment for all years of service performed by such member with the Department. "Final average compensation" shall be determined by computing the average annual salary for the highest five (5) of the last ten (10) years of participating service immediately preceding retirement or termination of employment, with respect to members whose first participating service occurs on or after July 1, 2013.

(8) Any person who contributed to the System as a correctional officer, a probation and parole officer or a fugitive apprehension agent as provided in ~~paragraphs~~ paragraph (b) or (c) of subsection (1) of Section 919.1 of this title, and who retires under normal retirement or early retirement on or after January 1, 2004, under paragraph (24) of Section 902 of this title, and any public safety officer described by paragraph (37) of Section 902 of this title hired on or after the effective date of this act by the Grand River Dam Authority and who retires on or after the effective date of this act, shall have retirement benefits for each year of full-time-equivalent participating service as a correctional officer, a probation and parole officer or a fugitive apprehension agent, or Grand River Dam public safety officer computed on two and one-half percent (2 1/2%) of the final average compensation based upon those years as a correctional officer, a probation and parole officer, a

1 fugitive apprehension agent or a Grand River Dam public safety
2 officer. For purposes of this paragraph, "final average
3 compensation" shall be determined by computing the average annual
4 salary, in the manner prescribed by paragraph (18) of Section 902 of
5 this title, for the highest three (3) years of the last ten (10)
6 years of participating service immediately preceding retirement or
7 termination of employment for all years of service performed by such
8 member, both for years of service performed as a correctional
9 officer, probation and parole officer or fugitive apprehension
10 agent, or years of service performed as a Grand River Dam public
11 safety officer, not in excess of twenty (20) years, and for years of
12 service performed in excess of twenty (20) years, whether as a
13 correctional officer, probation and parole officer, fugitive
14 apprehension agent, Grand River Dam public safety officer, or other
15 position unless the computation of benefits would result in a lower
16 retirement benefit amount than if final average compensation were to
17 be computed as otherwise provided by this paragraph. "Final average
18 compensation" shall be determined by computing the average annual
19 salary for the highest five (5) of the last ten (10) years of
20 participating service immediately preceding retirement or
21 termination of employment, with respect to members whose first
22 participating service occurs on or after July 1, 2013, or with
