Section 1-311. A. A certificate of birth for each live birth which occurs in this state shall be filed with the State Registrar, within seven (7) days after the birth.

B. When a birth occurs in an institution, the person in charge of the institution or a designated representative shall obtain the personal data, prepare the certificate, and secure the signatures required by the certificate. The physician in attendance shall certify to the facts of birth and provide the medical information required by the certificate within five (5) days after the birth.

1 C. When a birth occurs outside an institution, the certificate

11 D. 1. If the mother was married at the time of birth, or  
12 married at any time during the three hundred (300) calendar days  
13 before the birth, the name of the husband shall be entered on the  
14 certificate as the father of the child unless paternity has been  
15 determined otherwise by a court of competent jurisdiction or a  
16 husband's denial of paternity form has been filed along with an  
17 affidavit acknowledging paternity, in which case the name of the  
18 father as determined by the court or affidavit acknowledging  
19 paternity shall be entered.

20 2. If the mother was not married at the time of birth, nor  
21 married at any time during the three hundred (300) calendar days  
22 before the birth, the name of the father shall be entered on the  
23 certificate of birth only if:

4                   which case the name of the father shall be entered, or
