BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 74 O.S. 2021, Section 840-2.17, is amended to read as follows:

Section 840-2.17 A. Unless otherwise provided by the Oklahoma Constitution, statutory authority to set or fix compensation, pay or salary of state officers and employees shall not be construed to authorize any agency, board, commission, department, institution, bureau, executive officer or other entity of the executive branch of state government to award, grant, give, authorize, or promise any officer or employee of the State of Oklahoma a raise that is

1 inconsistent with the compensation schedules established by the  
2 Office of Management and Enterprise Services for all state officers  
3 and employees in the executive branch pursuant to Section 840-4.6 of  
4 this title, including, but not limited to, a cost-of-living raise or  
5 any other type of raise that would be given to state employees on an  
6 across-the-board basis, except as herein provided. Such raises are  
7 prohibited unless authorized by the Legislature and by ~~Career~~  
8 ~~Service Rules for Employment~~ rules promulgated by the Director of  
9 the Office of Management and Enterprise Services. This prohibition  
10 applies to all ~~career and executive service~~ officers and employees  
11 in the executive branch of state government, excluding institutions  
12 under the administrative authority of the Oklahoma State Regents for  
13 Higher Education.

14 B. However, nothing in this section shall be construed to  
15 prohibit the following actions if the action is made in good faith  
16 and not for the purpose of circumventing subsection A of this  
17 section, and if the appointing authority certifies that the action  
18 can be implemented for the current fiscal year and the subsequent  
19 fiscal year without the need for additional funding to increase the  
20 personal services budget of the agency, and if the Office of  
21 Management and Enterprise Services certifies that the action is  
22 consistent with the compensation schedules established pursuant to  
23 the provisions of Section 840-4.6 of this title:

- 1        1. Salary advancements on promotion ~~or direct reclassification~~  
2 to a job family level or class with a higher salary band;
- 3        2. Salary adjustments resulting from a pay band change for a  
4 job family level or class adopted by the Office of Management and  
5 Enterprise Services;
- 6        3. Increases in longevity payments pursuant to Section 840-2.18  
7 of this title;

15 does not exceed five percent (5%) and the adjustment is based on the  
16 needs of the agency;
- 17       8. Skill-based adjustments. Such adjustments, which are  
18 implemented before November 1, 2006, other than lump-sum payments,  
19 shall become permanent after twenty-four (24) months from the date  
20 such salary adjustment is implemented and may not later be removed  
21 from an employee's base salary if a furlough or reduction-in-force  
22 is implemented by the appointing authority granting such salary  
23 adjustment. Skill-based pay adjustments, which are implemented on  
24 or after November 1, 2006, and which are paid to an employee, shall

1 be paid as long as the employee remains employed in the position and  
2 performs the skills for which the differential is due, but shall not  
3 be included as a part of the employee's base salary;

4 9. Equity-based adjustments;

5 10. Performance-based adjustments for employees who received at  
6 least a "meets standards" rating on their most current performance

14 transfer or promotion to a different job family level or following  
15 career progression to a different job family level.

16 C. ~~Provided, however, any reclassification for one of the~~

20 ~~D.~~ The pay movement mechanisms described in paragraphs 6  
21 through 11 in subsection B of this section shall be implemented

1       ~~E.~~ D. Appointing authorities may implement the pay movement

3 section subject to the availability of funds within the agency's  
4 budget for the current fiscal year and subsequent fiscal year  
5 without the need for additional funding to increase the personal  
6 services budget of the agency. Failure by the appointing authority  
7 to follow the provisions of this subsection may cause the withdrawal  
8 of the use of the pay movement mechanisms provided in paragraphs 6,  
9 7, 9, 10 and 11 of subsection B of this section within the agency  
10 during the next appropriations cycle.
