SECTION 2. AMENDATORY 27 O.S. 2011, Section 17, is amended to read as follows:

Section 17. A. In the event that a portion of the total amount of real property taken by eminent domain under the procedures set forth in Title 27 of the Oklahoma Statutes this title for a public purpose use as described in Section 9 of Title 27 of the Oklahoma Statutes this title is not used for the purposes uses for which it was condemned or for another public use by the agency or other entity which acquired the real property, the portion of the real property that is not used shall be declared surplus and shall be first offered for resale to the person from whom the property was taken or the heirs of the person at the appraised value or the original price at which the acquiring agency or entity purchased that portion of the property, whichever is less.

B. For purposes of complying with subsection A of this section, the agency or entity which acquired the real property by condemnation shall notify the former landowner of the right of first refusal by sending notice by certified mail, return receipt requested, to the last-known address of the person as provided by the person. If the mail is returned as not subject to delivery or the former landowner is deceased, notice of the right of first refusal shall be provided by publication in a newspaper of general

- circulation in the community where the real property is located.

  The notice shall contain the name of the former landowner and a legal description of the surplus property. If the offer to repurchase is not accepted within ninety (90) days from the date of notice or if the offer to repurchase is not accepted from the date the resale price on the property is determined, the property may then be sold at public sale.
  - C. This section shall not apply to conveyances for redevelopment under Sections 38-101 through 38-123 of Title 11 of the Oklahoma Statutes.
  - SECTION 3. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 41 of Title 27, unless there is created a duplication in numbering, reads as follows:

For the purposes of this act:

2.1

- 1. "Abandoned property" means either of the following:
  - a. a property that has been substantially unoccupied or unused for any commercial or residential purpose for at least one (1) year by a person with a legal or equitable right to occupy the property that has been cited as a public nuisance in violation of a housing, maintenance, building or property code which has not been remedied within a reasonable time after two notices to cure the noncompliance and has had a public

hearing and a subsequent court proceeding made available to the property owner, or

- b. a property for which property taxes have not been paid for at least two (2) years;
- 2. "Blighted property" means a structure that was inspected by the appropriate government entity, cited for one or more enforceable housing, maintenance, building or property code violations which by reason of dilapidation, deterioration, age or obsolescence of the structure threatens the health and safety of the occupants or the public, has not been remedied within a reasonable time after two notices to cure the noncompliance, and has had a public hearing and a subsequent court proceeding made available to the property owner; and

## 3. "Public use" means:

1.3

- a. the possession, occupation, ownership and enjoyment of the land by the general public, or by a government entity for use as a public highway, road, easement or a right-of-way, public building, public cemetery, public park or other public use,
- b. the possession, occupation and ownership of land necessary for operations of a public utility that serves the general public,
- c. the remediation of a blighted property, or
- d. the possession of an abandoned property.

SECTION 4. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 42 of Title 27, unless there is created a duplication in numbering, reads as follows:

- A. Private property may not be taken or damaged by a condemning authority unless the taking or damage is necessary for a public use and with just compensation. The public purpose or public benefit of economic development, including an increase in tax base, tax revenues, employment or general economic health, does not constitute a public use.
- B. The court shall strictly construe eminent domain statutes in favor of the property owner and against the condemning authority.
- C. A governmental body subordinate to the state may not exercise, create, extend or expand a power of eminent domain in the absence of statutory authority. Additional procedures, remedies or limitations that do not deny or diminish the substantive and procedural rights and protections of property owners under this section may be provided by other law, ordinance or charter.

SECTION 5. This act shall become effective November 1, 2021.
