(Date)

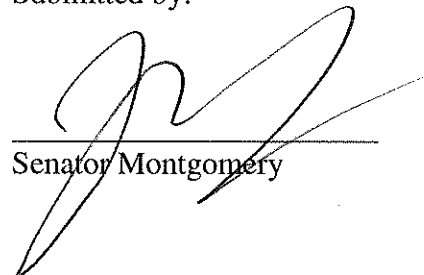

I move to amend House Bill No. 2777, page 11, lines 12 through 20, by removing all language in Subsection N and inserting the following language:

N. A county assessor shall use current market price information to establish a fair cash value for real property and personal property owned by any entity engaged in the production of electric energy by means of wind as described by Industry No. 221115 of the North American Industry Classification System (NAICS) Manual, latest revision, which may include:

1. current market price information available through the Southwest Power Pool on the applicable January 1 date or specific to the point of delivery of the facility's energy deliveries and generation profile to the market; or

2. Data published by the Oklahoma tax commission for various approaches to value.
