2 directing promulgation of rules; amending 63 O.S.  
3 2021, Section 2-303, which relates to Oklahoma State  
4 Bureau of Narcotics and Dangerous Drugs Control  
5 registration; creating certain fee; and providing for  
6 codification.

7 BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

8 SECTION 1. NEW LAW A new section of law to be codified  
9 in the Oklahoma Statutes as Section 2-811 of Title 63, unless there  
10 is created a duplication in numbering, reads as follows:

11 A. A university or other institution of higher education  
12 located in this state, or a research facility that has entered into  
13 a memorandum of agreement with a university or institution of higher  
14 education located in this state, may conduct scientific research and  
15 clinical trials on persons eighteen (18) years of age or older to  
16 study the use of psilocybin for palliative care or end-of-life care  
17 or for treatment of the following medical conditions:

- 18 1. Post-traumatic stress disorder;
- 19 2. Treatment-resistant/refractory depression;
- 20 3. Treatment-resistant/refractory anxiety;
- 21 4. Treatment-resistant/refractory obsessive-compulsive  
22 disorder;
- 23 5. Traumatic brain injury;
- 24 6. Early stage dementia;
7. Opioid use disorder; or

1 8. Moderate to severe chronic pain.

2 B. The university or institution of higher education may enter  
3 into no more than one memorandum of agreement with a research  
4 facility for the purposes of conducting research under this section.

5 C. In conducting such research as described in subsection A of  
6 this section, the studies shall:

7 1. Perform clinical trials on the efficacy of using psilocybin  
8 or psilocin for palliative care or end-of life care or in the  
9 treatment of the medical conditions listed in subsection A of this  
10 section;

11 2. Review the current literature regarding:

12 a. the safety and efficacy of using psilocybin or  
13 psilocin for palliative care or end-of life care or in  
14 the treatment of the medical conditions listed in  
15 subsection A of this section, and

16 b. the access persons have to psilocybin and psilocin for  
17 palliative care or end-of life care or in the  
18 treatment of the medical conditions listed in  
19 subsection A of this section; and

20 3. Examine the science of cultivation, synthesis, extraction,  
21 and processing of psilocybin and psilocin as well as the fungi,  
22 yeasts, and other naturally occurring source organisms of these  
23 molecules.

1 D. 1. Eligible entities as described in subsection A of this  
2 section shall register with the State Department of Health and the  
3 Oklahoma Department of Agriculture, Food, and Forestry prior to and  
4 for the purposes of growing, studying, processing, or dispensing  
5 psilocybin-containing fungi or other naturally occurring source  
6 organisms, or studying, extracting, synthesizing, or dispensing  
7 psilocybin or psilocin. The registration submission information  
8 shall include:

- 9 a. the name and address of the research facility,
- 10 b. a prospectus approved by a university or other  
11 institution of higher education, and
- 12 c. certification from the institutional review board of  
13 the university or institution of higher education if  
14 human trials are part of the research.

15 2. By registering, the registrant acknowledges and agrees that:

- 16 a. the information contained in the registration  
17 submissions may be provided to law enforcement  
18 agencies, and
- 19 b. the registrant shall submit an annual report detailing  
20 compliance with annual regulation requirements.

21 3. The State Department of Health shall collect a one-time  
22 nonrefundable fee of Five Hundred Dollars (\$500.00) from the  
23 registrant at the time of application and the Oklahoma Department of  
24 Agriculture, Food, and Forestry shall collect a one-time

1 nonrefundable fee of One Hundred Dollars (\$100.00) from the  
2 registrant at the time of application. The applicant shall, upon  
3 completion of registration with the State Department of Health and  
4 the Oklahoma Department of Agriculture, Food, and Forestry, register  
5 with the Oklahoma State Bureau of Narcotics and Dangerous Drugs  
6 Control as provided by Section 2-301 et seq. of Title 63 of the  
7 Oklahoma Statutes annually for as long as the research remains  
8 active.

9 4. Registration under this subsection is valid for one year,  
10 effective upon confirmation and receipt of the final of the three  
11 registrations required by this subsection.

12 5. Should the registrant change facility locations for the  
13 cultivation, testing, synthesis, storage, or dispensing of  
14 psilocybin or psilocin, it shall report such changes within fourteen  
15 (14) business days to the State Department of Health, to the  
16 Oklahoma Department of Agriculture, Food, and Forestry, and to the  
17 Oklahoma State Bureau of Narcotics and Dangerous Drugs Control.

18 E. 1. A written certification shall be issued to persons  
19 qualifying for participation in a clinical trial described in this  
20 section by a physician participating in the clinical trial. The  
21 written certification shall contain the following:

22 a. the name, address, and telephone number of the issuing  
23 physician,  
24

- b. the name and address of the patient issued the written certification,
- c. the date on which the written certification was made,
- d. the signature of the physician,
- e. the quantity of psilocybin or psilocin to be dispensed, and
- f. the form of psilocybin or psilocin to be dispensed.

2. The written certification issued under this subsection shall expire one year after the date of its issuance unless the written certification specifies an earlier date of expiration.

F. 1. A researcher or physician operating under a valid registration issued in accordance with this section shall not be subject to arrest, prosecution, or any civil or administrative penalty for the possession, cultivation, synthesis, extraction, or distribution of psilocybin or psilocin as long as the researcher's or physician's conduct is in compliance with the provisions of this section.

2. A patient participating in a clinical trial under a valid written certification issued in accordance with this section shall not be subject to arrest, prosecution, or any civil or administrative penalty for the use or possession of psilocybin or psilocin as long as the patient's conduct is in compliance with the provisions of this section.

1 G. Researching entities shall submit a written report to the  
2 President Pro Tempore of the Senate and the Speaker of the House of  
3 Representatives containing the results of the studies conducted  
4 under this section and any recommendations for legislative or other  
5 actions not later than December 1, 2025.

6 H. Researching entities shall ensure any protected health  
7 information collected during the clinical trials done in accordance  
8 with this section does not personally identify any individual.

9 I. The State Department of Health, the Oklahoma Department of  
10 Agriculture, Food, and Forestry, the Oklahoma State Bureau of  
11 Narcotics and Dangerous Drugs Control, and any other state agency  
12 with access to the research programs authorized by this section  
13 shall not release or allow to be released through inaction any  
14 protected health information. The protected health information of  
15 clinical trial participants shall be exempt from the Oklahoma Open  
16 Records Act.

17 J. The State Commissioner of Health, the State Board of  
18 Agriculture, and the Director of the Oklahoma State Bureau of  
19 Narcotics and Dangerous Drugs Control shall promulgate rules  
20 necessary to implement the program authorized in this section.

21 SECTION 2. AMENDATORY 63 O.S. 2021, Section 2-303, is  
22 amended to read as follows:

23 Section 2-303. A. The Director of the Oklahoma State Bureau of  
24 Narcotics and Dangerous Drugs Control shall register an applicant to

1 own a medical facility as described in subsection C of Section 2-302  
2 of this title, or to manufacture, distribute, dispense, prescribe,  
3 administer or use for scientific purposes controlled dangerous  
4 substances included in Schedules I through V of Section 2-101 et  
5 seq. of this title unless the Director determines that the issuance  
6 of such registration is inconsistent with the public interest. In  
7 determining the public interest, the following factors shall be  
8 considered:

9 1. Maintenance of effective controls against diversion of  
10 particular controlled dangerous substances and any Schedule I or II  
11 substance compounded therefrom into other than legitimate medical,  
12 scientific or industrial channels, including examination of the  
13 fitness of his or her employees or agents to handle dangerous  
14 substances;

15 2. Compliance with applicable state and local law;

16 3. Has been found guilty of, entered a plea of guilty or nolo  
17 contendere to a charge under the Uniform Controlled Dangerous  
18 Substances Act or any other state or federal law relating to any  
19 substance defined herein as a controlled dangerous substance or any  
20 felony under the laws of any state or the United States;

21 4. Furnishing by the applicant false or fraudulent material  
22 information in any application filed under Section 2-101 et seq. of  
23 this title;

24

1 5. Past experience in the manufacture, distribution,  
2 dispensing, prescribing, administering or use for scientific  
3 purposes of controlled dangerous substances, and the existence in  
4 the establishment of effective controls against diversion;

5 6. Denial, suspension or revocation of the applicant's federal  
6 registration to manufacture, distribute or dispense controlled  
7 dangerous substances as authorized by federal law; and

8 7. Such other factors as may be relevant to and consistent with  
9 the public health and safety.

10 Nothing herein shall be deemed to require individual licensed  
11 pharmacists to register under the provisions of the Uniform  
12 Controlled Dangerous Substances Act.

13 B. Registration granted under subsection A of this section  
14 shall not entitle a registrant to manufacture, distribute, dispense,  
15 prescribe, administer or use for scientific purposes controlled  
16 dangerous substances in Schedule I or II other than those specified  
17 in the registration.

18 C. Practitioners shall be registered to dispense, prescribe,  
19 administer or use for scientific purposes substances in Schedules II  
20 through V if they are authorized to carry on their respective  
21 activities under the laws of this state. A registration application  
22 by a practitioner who wishes to conduct research with Schedule I  
23 substances shall be accompanied by evidence of the applicant's  
24 federal registration to conduct such activity and shall be referred

1 to the Medical Research Commission for advice. The Medical Research  
2 Commission shall promptly advise the Director concerning the  
3 qualifications of each practitioner requesting such registration.  
4 Registration for the purpose of bona fide research or of use for  
5 scientific purposes with Schedule I substances by a practitioner  
6 deemed qualified by the Medical Research Commission may be denied  
7 only on a ground specified in subsection A of Section 2-304 of this  
8 title or if there are reasonable grounds to believe that the  
9 applicant will abuse or unlawfully transfer such substances or fail  
10 to safeguard adequately such applicant's supply of such substances  
11 against diversion from legitimate medical or scientific use.

12 D. 1. The Director shall initially permit persons to register  
13 who own or operate any establishment engaged in the manufacture,  
14 distribution, dispensing, prescribing, administering or use for  
15 scientific purposes of any controlled dangerous substances prior to  
16 June 4, 1991, and who are registered or licensed by the state. Fees  
17 for registration under this section shall be as follows:
