An Act relating to the United States; providing for review of Presidential executive orders and federal actions; providing for codification; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 101 of Title 80, unless there is created a duplication in numbering, reads as follows:

The Legislature may review any executive order issued by the President of the United States, federal agency rule or federal congressional action to determine the constitutionality of the order, rule or action. Upon recommendation from the Legislature, the Attorney General of this state shall review the order, rule or action by the federal government to determine the constitutionality of the order, rule or action and whether the state should seek an exemption from the application of the order, rule or action or seek to have the order, rule or action declared unconstitutional.

SECTION 2. It being immediately necessary for the preservation of the public peace, health or safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
