1 from an established operating base, and may designate highways to be
2 traveled, hours of travel and when flagmen may be required to
3 precede or follow the equipment.

4 2. Possession of a permit shall in no way be construed as
5 exempting such equipment from the authority of the Director of the
6 Department of Transportation to restrict use of particular highways,
7 nor shall it exempt owners or operators of such equipment from the
8 responsibility for damage to highways caused by movement of the
9 equipment. Nothing in this subsection shall apply to machinery used
10 in highway construction or road material production.

11 3. Upon the issuance of a special mobilized machinery driveway
12 permit as provided in this subsection, special mobilized machinery
13 manufactured in Oklahoma shall be permitted to move upon the
14 highways of this state from the place of manufacture to the state

23 such as to create a safety hazard in the judgment of the
24 ~~Commissioner of Public Safety~~ Department of Transportation. Permits

1 for such special mobilized machinery shall specify a maximum
2 permissible road speed of sixty (60) miles per hour, designate
3 safety equipment to be carried and may exclude use of highways of
4 the interstate system.

5 5. When such equipment has a width greater than eight and one-
6 half (8 1/2) feet, or a length exclusive of load of forty-five (45)
7 feet, or a height in excess of thirteen and one-half (13 1/2) feet,
8 the permit may designate highways to be traveled, hours of travel
9 and when flagmen may be required to precede or follow the equipment.

10 6. Possession of a special driveway permit shall in no way be
11 construed as exempting such equipment from the authority of the
12 Director of the Department of Transportation to restrict use of
13 particular highways, nor shall it exempt the owners or operators of
14 such equipment from the responsibility for damage to highways caused
15 by the movement of such equipment.

8 Department, which bond or policy shall be approved by the ~~Commission~~
9 Department, and shall be in a sum and amount as fixed by a proper
10 order of the ~~Commission~~ Department. The cargo insurance must be

19 license canceled, by operation of law, without any notice from the
20 ~~Commission~~ Department. No license so canceled shall be reinstated
21 or otherwise made operative except that the ~~Commission~~ Department

2 Any carrier desiring to file for reinstatement of its license shall
3 do so within ninety (90) days of its cancellation by law.

4 E. The ~~Commission~~ Department shall, in its discretion, permit
5 the filing of certificates of insurance coverage or such form as may
6 be prescribed by the ~~Commission~~ Department, in lieu of copies of
7 insurance policies or bonds, with the proviso that if the
8 certificates are authorized the insurance company or carrier so
9 filing it, upon request of the ~~Commission~~ Department, will, at any
10 time, furnish an authenticated copy of the policy which the
11 certificate represents, and further provided that thirty (30) days
12 prior to effective cancellation or termination of the policy of
13 insurance for any cause, the insurer shall so notify the ~~Commission~~

19 authority of any intrastate carrier out-of-service on the sixty-

21 safety rating issued by the Department following a Compliance Review
22 or Investigation. The out-of-service order or suspension of
23 operating authority shall remain in place until the Department
24 determines that the carrier has remedied the safety issue as

4 Federal Motor Carrier Safety Administration safety rating
5 methodology.

6 K. If a motor carrier is found to be operating any vehicle
7 while operating authority is suspended, in violation of an out-of-

11 ~~H.~~ L. The first One Hundred Thousand Dollars (\$100,000.00) of

21 SECTION 65. AMENDATORY 47 O.S. 2011, Section 1120, as
22 amended by Section 2, Chapter 235, O.S.L. 2016 (47 O.S. Supp. 2020,
23 Section 1120), is amended to read as follows:
24

1 Section 1120. A. The ~~Corporation Commission~~ Department of
2 Public Safety may, when in the interest of ~~the State of Oklahoma~~
3 this state and its residents, enter into the International
4 Registration Plan or other compacts or agreements with other states
5 to permit motor vehicle registration and license taxes on any truck,
6 bus, or truck-tractor on a proportional basis commensurate with the
7 use of Oklahoma highways. Proportional registration under such
8 plans may be permitted for vehicles engaged in interstate commerce
9 or combined interstate and intrastate commerce. Any action taken by
10 the ~~Oklahoma Tax Corporation Commission~~ with respect to the
11 International Registration Plan or other such compacts or agreements
12 prior to ~~July 1, 2004~~ January 1, 2023, shall remain in effect unless
13 altered by the ~~Corporation Commission~~ Department of Public Safety
14 pursuant to its authority to do so after ~~the effective date of this~~
15 ~~act~~ July 1, 2004.

16 B. The ~~Corporation Commission~~ Department of Public Safety shall
17 require that such proportional registration be based on the
18 percentage of miles actually operated by such vehicles or fleets of
19 vehicles in ~~the State of Oklahoma~~ this state in the reporting period
20 in proportion to the total fleet miles operated both within and
21 without Oklahoma. If the registrant did not incur mileage during
22 the preceding reporting period, the registrant shall pay fees for
23 its future operations in accordance with the International
24 Registration Plan. Such percentage figure, so determined by the

1 ~~Corporation Commission~~ Department of Public Safety, shall be the
2 Oklahoma mileage factor. In computing the taxes under the foregoing
3 formula, the ~~Corporation Commission~~ Department of Public Safety
4 shall first compute the license fees for the entire fleet and then
5 multiply the amount by the Oklahoma mileage factor on a dollar
6 basis.

7 C. Upon receipt of the Oklahoma license and registration tax,
8 which shall be paid by cash and/or certified funds, as computed
9 under the provisions of the Oklahoma Vehicle License and
10 Registration Act, the ~~Corporation Commission~~ Department of Public
11 Safety shall register all such fleet vehicles, and shall issue a
12 license plate, cab card or decal for each of such vehicles
13 identifying it as part of an interstate fleet. The ~~Corporation~~
14 ~~Commission~~ Department of Public Safety may, upon satisfactory review
15 of the payment history of an applicant, waive the requirement for
16 payment in cash or certified funds.

17 D. Vehicles so registered on a prorated basis shall be
18 considered fully licensed in Oklahoma and shall be exempt from all
19 further registration or license fees under the provisions of the
20 Oklahoma Vehicle License and Registration Act; provided that such
21 fleet vehicles are proportionally licensed in some other state,
22 territory or possession of the United States or some foreign
23 province, state or country with which the ~~Corporation Commission~~

1 Department of Public Safety has entered into a prorationing compact
2 or agreement.

3 If a vehicle is permanently withdrawn from a proportionally
4 registered fleet and a replacement vehicle is added to the fleet in
5 the same calendar month, the replacement vehicle shall be considered
6 fully registered as provided in Section 1133 of this title and
7 Section 14-109 of this title, if the replacement vehicle is
8 registered for a weight equal to or less than the vehicle
9 permanently withdrawn, or if additional registration fees are paid
10 when the replacement vehicle is registered for a weight greater than
11 the vehicle withdrawn. If a vehicle is permanently withdrawn from a
12 proportionally registered fleet and is not replaced by another
13 vehicle in the same calendar month, credit shall be allowed as
14 otherwise provided in this section.

15 E. Vehicles subsequently added to a proportionally registered
16 fleet after commencement of the registration year shall be
17 proportionally registered by applying the mileage percentage used in
18 the original application for such fleet for such registration period
19 to the regular registration fees due with respect to such vehicle
20 for the remainder of the registration year.

21 F. If a vehicle is permanently withdrawn from a proportionally
22 registered fleet because it has been destroyed, sold or otherwise
23 completely removed from service, credit shall be allowed. Such
24 credit shall be a sum equal to the amount paid with respect to such

1 vehicle when it was first proportionally registered in the
2 registration year, reduced by those months elapsing since the
3 beginning of the registration year. The credit may be applied
4 against subsequent additions to the fleet, with the exception of
5 vehicles removed from a renewal fleet and later added back to the
6 same fleet, to be prorated or for other additional registration fees
7 assessed. In no event shall credit be allowed for fees beyond such
8 registration year, nor shall any such amount be subject to refund.
9 Provided, further, that vehicles removed from a prorated fleet or
10 sold to a nonprorated fleet for operation in Oklahoma shall be
11 registered in Oklahoma for the remaining portion of the year.

12 G. The records of total mileage operated in all states upon
13 which the application is made for a period of three (3) years
14 following the year upon which the application is based shall be
15 preserved. Upon request of the ~~Corporation Commission~~ Department of
16 Public Safety, such records shall be made available for audit as to
17 accuracy of computation and payments. The ~~Corporation Commission~~
18 Department of Public Safety may enter into agreements with agencies
19 of other states administering motor vehicle registration laws for
20 joint audits of any such records.

21 H. The ~~Corporation Commission~~ Department of Public Safety may
22 enter into compacts or agreements with other states or other
23 countries or subdivisions of such countries allowing reciprocal
24

1 privileges to vehicles based in such other states and operating in
2 interstate commerce if the vehicles are properly registered therein.

3 I. Interchanged vehicles properly registered in another state
4 may be granted reciprocal privileges when engaged in a continuous
5 movement in interstate commerce, but must register in this state if
6 used in intrastate commerce.

7 J. In addition to those taxes or fees imposed by the Oklahoma
8 Vehicle License and Registration Act, the same or substantially the
9 same type or category of tax or fee may be imposed upon an out-of-
10 state resident as is imposed upon residents of Oklahoma for the same
11 or substantially similar use of a vehicle in such other state in the
12 amount, or approximate total amount, of any fee or tax, including
13 property, motor fuel, excise, sales, use or mileage tax required by
14 the laws of such other state to be paid by a resident of this state
15 making the same or similar use of a like vehicle in such state.

16 The ~~Corporation Commission~~ Department of Public Safety shall
17 have the authority to promulgate rules which provide procedures for
18 implementation of comparable regulatory fees and taxes for vehicles
19 used in this state by residents of other states.

20 Any revenue derived from this subsection shall be apportioned in
21 the same manner as provided in Section 1104 of this title.

22 It is the intention of the Legislature that the motor vehicle
23 registration and licensing fees assessed against residents of other
24 states operating similar vehicles in Oklahoma be comparably the same

1 as the motor vehicle registration and licensing fees assessed
2 against residents of Oklahoma operating a similar vehicle for a
3 similar purpose in such other state; and that the ~~Corporation~~
4 ~~Commission~~ Department of Public Safety diligently monitor the motor
5 vehicle registration and licensing fees assessed against residents
6 of Oklahoma by other states and to provide for uniform treatment of
7 Oklahoma residents operating vehicles in other states and for
8 residents of other states operating vehicles in Oklahoma.

9 SECTION 66. AMENDATORY 47 O.S. 2011, Section 1120.1, is
10 amended to read as follows:

11 Section 1120.1. A. The ~~Corporation Commission~~ Department of
12 Public Safety, when in the interest of ~~the State of Oklahoma~~ this
13 state and its residents, may enter into the International
14 Registration Plan or other compacts or agreements with other states
15 to permit motor vehicle registration and license taxes on any motor
16 vehicle to be used as a rental motor vehicle as defined in the
17 International Registration Plan.
