20 from the district in which the student resides to another school
21 district furnishing instruction in the grade the student is entitled

9 student for the reasons outlined in paragraphs 1 and 2 of subsection
10 B of this section. Any brother or sister of a student who transfers

6 the district where the student resides, the transfer shall be
7 automatically approved.

9 to determine the number of transfer students the school district has
10 the capacity to accept in each grade level for each school site

9 site within a school district which the school district has the
10 capacity to accept; and

12 transfer students for each grade level for each school site within a
13 school district which the school district has the capacity to
14 accept.

16 parent of the student may appeal the denial within ten (10) days of
17 notification of the denial to the receiving school district board of
18 education. The receiving school district board of education shall
19 consider the appeal at its next regularly scheduled board meeting.

4 receiving school district may address the Board. The State Board of
5 Education shall promulgate rules to establish the appeals process
6 authorized by this subsection.

10 acts and reasons outlined in Section 24-101.3 of this title or a
11 history of absences as provided for in paragraph 2 of subsection B
12 of this section. The State Department of Education shall publish
13 the data on its website and make the data available to the Office of
14 Educational Quality and Accountability.

15 G. Each year, the Office of Educational Quality and
16 Accountability shall randomly select ten percent (10%) of the school
17 districts in the state and conduct an audit of each district's
18 approved and denied transfers based on the provisions of the
19 policies adopted by the respective school district board of
20 education. If the Office finds inaccurate reporting of capacity
21 levels by a school district, the Office shall set the capacity for
22 the school district.
