In such instances the reason for not issuing a certificate of title shall be indicated on the receipt given to the applicant. It shall still be the duty of the applicant to immediately take all necessary steps to obtain the Oklahoma certificate of title and it shall be unlawful for the applicant to sell the vehicle until the certificate has been obtained in the applicant's name.

The temporary dealer license plate or the metal license plate shall be displayed on the manufactured home at all times when upon a public roadway; provided, a repossession affidavit issued pursuant to Sections 1110 and 1126 of this title shall be permissible in lieu of a current license plate and decal for the purposes of removing a repossessed

manufactured home to a secure location. Manufactured homes previously registered and subject to ad valorem taxation as provided by law shall have a decal affixed at the time ad valorem taxes are paid for such manufactured home; provided, for a manufactured home permanently affixed to real estate, no decal or license plate shall be required to be affixed and the owner thereof shall be given a receipt upon payment of ad valorem taxes due on the home. The Tax Commission shall make sufficient plates and decals available to the various motor license agents of the state in order for an owner of a manufactured home to acquire the plate or decal. A one-dollar fee shall be charged for issuance of any plate or decal. The fee shall be apportioned each month to the General Revenue Fund of the State Treasury.

F. The decal shall be easily visible for purposes of verification by a county assessor that the manufactured home is properly assessed for ad valorem taxation. In the first year of registration, a decal shall be issued for placement on the license plate indicating payment of applicable registration fees and excise taxes. A duplicate manufactured home registration decal shall be affixed inside the window nearest the front door of the manufactured home. In the second and all subsequent years for which the manufactured home is subject to ad valorem taxation, an annual decal shall be affixed inside the window nearest the front door as evidence of payment of ad valorem taxes. The Tax Commission shall issue decals to the various county treasurers of the state in order for a manufactured home owner to obtain such decal each year. Upon presentation of a valid ad valorem tax receipt, the manufactured home owner shall be issued the annual decal.

G. Upon the registration of a manufactured home in this state for the first time or upon discovery of a manufactured home previously registered within this state for which the information required by this subsection is not known, the Tax Commission shall obtain:

1. The name of the owner of the manufactured home;
2. The serial number or identification number of the manufactured home;
3. A legal description or address of the location for the home;
4. The actual retail selling price of the manufactured home excluding Oklahoma taxes;

5. The certificate of title number for the home; and

6. Any other information which the Tax Commission deems to be necessary.

The application for registration shall also include the school district in which the manufactured home is located or is to be located. The information shall be entered into a computer data system which shall be used by the Tax Commission to provide information to county assessors upon request by the assessor. The assessor may request any information from the system in order to properly assess a manufactured home for ad valorem taxation.
