diagnosed with a seizure disorder.

C. Beginning January 1, 2022, each school district board of
education shall have at least one school employee at each school who

7 D. Any training programs or guidelines adopted by any state
8 agency for the training of school personnel in the health care needs
9 of any student diagnosed with a seizure disorder shall be fully
10 consistent with training programs and guidelines developed by the
11 Epilepsy Foundation of America and any successor organization.
12 Notwithstanding any state agency requirement or other law to the
13 contrary, for the purposes of this training a school district shall
14 be permitted to use any adequate and appropriate training programs
15 or guidelines for training of school personnel in the seizure
16 disorder care tasks covered under this section.

17 E. Before a seizure rescue medication can be administered to a

19 legal guardian shall:

20 1. Provide the school with written authorization to administer
21 the medication at school;

22 2. Provide a written statement from the student's health care
23 provider that shall contain the following information:

24 a. the student's name,

- b. the name and purpose of the medication,
- c. the prescribed dosage,
- d. the route of administration,
- e. the frequency that the medication may be administered,
and
- f. the circumstances under which the medication may be

3. Provide the prescribed medication to the school in its unopened, sealed package with the label affixed by the dispensing pharmacy intact; and

4. Collaborate with school personnel to create a seizure action plan.

F. The written authorization, written statement and seizure action plan required in subsection E of this section shall be kept on file in the office of the school nurse or school administrator and shall be distributed to any school personnel or volunteers responsible for the supervision or care of the student.

G. The written authorization for the administration of seizure rescue medications provided for in subsection E of this section shall be effective for the school year in which it is granted and may be renewed each following school year upon fulfilling the requirements of subsections E and F of this section.

5 I. The State Board of Education may promulgate administrative

8 of seizure action plans.

9 J. 1. A school employee may not be subject to any disciplinary
10 proceeding resulting from an action taken in compliance with the
11 Seizure-Safe Schools Act. Any employee acting in accordance with

13 unless the actions of the employee rise to a level of reckless or
14 intentional misconduct.

15 2. A school nurse shall not be responsible for and shall not be
16 subject to disciplinary action for actions performed by a volunteer.

17 SECTION 2. It being immediately necessary for the preservation
