a. the salary which the member would have received pursuant to statutory salary schedules in effect upon the date of the disability for twenty (20) years of service prior to disability. The final average salary for a member who performed less than twenty (20) years of service prior to disability shall be computed assuming that the member was paid the highest salary allowable pursuant to the law in effect at the time of the member's disability based upon twenty (20) years of service and with an assumption that the member was eligible for any and all increases in pay based upon rank during the entire period. If the salary of a member is not prescribed by a specific salary schedule

1           upon the date of the member's disability, the final  
2           average salary for the member shall be computed by the  
3           member's actual final average salary or the highest  
4           median salary amount for a member whose salary was

13   member's disability pension provided pursuant to this subsection  
14   shall be adjusted as provided in Section 2-305.2 of this title to  
15   account for such member's participation in the Oklahoma Law  
16   Enforcement Deferred Option Plan.

17           G.   A member who meets the definition of disability as defined  
18   in Section 2-300 of this title and whose disability occurred prior  
19   to the member's normal retirement date but after completing three  
20   (3) years of vesting service and not by reason of the performance of  
21   the member's duties or as a result of the member's willful  
22   negligence shall receive a monthly benefit equal to two and one-half  
23   percent (2 1/2%) of final average salary multiplied by the number of  
24   years of the member's credited service.

1 H. Payment of a disability pension shall commence as of the  
2 first day of the month coinciding or next following the date of  
3 retirement and shall continue as long as the member meets the  
4 definition of total and permanent disability provided in this  
5 section.

6 I. For the purpose of determining the member's disability under  
7 subsection E, F or G of this section, the member shall be required  
8 by the Board to be examined by a minimum of two recognized  
9 physicians selected by the Board to determine the extent of the  
10 member's injury or illness. The examining physicians shall furnish  
11 the Board a detailed written report of the injury or illness of the  
12 examined member establishing the extent of disability and the  
13 possibilities of the disabled member being returned to his or her  
14 regular duties or an alternate occupation or service covered by the  
15 System after a normal recuperation period. The Board shall require  
16 all retired disabled members who have not attained their normal  
17 retirement date to submit to a physical examination once each year  
18 for a minimum of three (3) years following retirement. The Board  
19 shall select a minimum of two physicians to examine the retired  
20 members and pay for their services from the fund. Any retired  
21 disabled member found no longer disabled by the examining physicians  
22 to perform the occupation of the member or an alternate occupation  
23 or service covered by the System shall be required to return to duty  
24 and complete twenty (20) years of service as provided in subsection

1 A of this section, or forfeit all his or her rights and claims under  
2 Section 2-300 et seq. of this title.

3 J. The disability benefit under this section shall be for the  
4 lifetime of the member unless such member is found no longer  
5 disabled pursuant to subsection I of this section. Such member  
6 shall not be entitled to the retirement benefit pursuant to  
7 subsection A of this section unless such member returns to active  
8 duty and is eligible for a retirement benefit as provided in  
9 subsection A of this section.

10 K. At the postoffer, preemployment physical examination  
11 required under paragraph 6 of Section 2-300 of this title, the  
12 physician selected by the Board shall determine the extent to which  
13 a new member is disabled. If a member is determined to be partially  
14 disabled, the physician shall assign a percentage of disability to  
15 such partial disability. If such member then becomes entitled to a  
16 disability benefit under either subsection E or subsection G of this  
17 section, the benefit payable shall be reduced by the percentage  
18 which such member was determined to be disabled at the postoffer,  
19 preemployment physical unless the Board makes a determination that  
20 the initially determined percentage of disability at the  
21 preemployment physical examination is unrelated to the reason for  
22 the disability currently sought pursuant to subsection E or  
23 subsection G of this section. Upon employment, the member shall  
24 disclose to the Board any disability payments received from any

1 source. The amount of disability to be paid to any member cannot  
2 exceed one hundred percent (100%) disability from all sources. The  
3 provisions of this subsection shall apply only to members whose  
4 effective date of membership is on or after July 1, 2000.

5 L. In addition to the pension provided for under subsection F  
6 of this section, if the member has one or more children under the  
7 age of eighteen (18) years or under the age of twenty-two (22) years  
8 if the child is enrolled full time in and is regularly attending a  
9 public or private school or any institution of higher education,  
10 Four Hundred Dollars (\$400.00) a month shall be paid from the Fund  
11 for the support of each surviving child to the member or person  
12 having the care and custody of such children until each child  
13 reaches the age of eighteen (18) years or reaches the age of twenty-  
14 two (22) years if the child is enrolled full time in and is  
15 regularly attending a public or private school or any institution of  
16 higher education.

17 M. Notwithstanding any other provisions in Section 2-300  
18 through 2-315 of this title, in order to be eligible to receive  
19 disability benefits, a member who meets the definition of disability  
20 as defined in paragraph 11 of Section 2-300 of this title shall file  
21 the member's completed application for disability benefits with the  
22 System before such member's date of termination from service and  
23 provide such additional information that the System's rules require  
24 within six (6) months of the System's receipt of such application.

1 If the member's completed application for disability benefits is not  
2 filed with the System before the member's date of termination from  
3 service or such additional information as is required under the  
4 System's rules is not provided within six (6) months of the System's  
5 receipt of such application, such member shall be eligible only for  
6 such other benefits as are available to members of the System and  
7 shall not be eligible to receive any disability benefits. For good  
8 cause shown, the Board of Trustees may waive the requirement that  
9 the disability application be filed before the member's date of  
10 termination from service. In no event shall a member be eligible to  
11 receive any disability benefit if the member's completed application  
12 is filed more than six (6) months after the member's date of  
13 termination from service.

14 N. If the requirements of Section 2-305.1C of this title are  
15 satisfied, a member who, by reason of disability or attainment of  
16 normal retirement date or age, is separated from service as a public  
17 safety officer with the member's participating employer may elect to  
18 have payment made directly to the provider for qualified health  
19 insurance premiums by deduction from his or her monthly disability  
20 benefit or monthly retirement payment, after December 31, 2006, in  
21 accordance with Section 402(1) of the Internal Revenue Code of 1986,  
22 as amended.

23 SECTION 3. If the Emergency Clause is not approved pursuant to  
24 the requirements of the Oklahoma Constitution as part of this

1 measure, the effective date of Section 1 of this act shall be  
2 October 1, 2022.

3 SECTION 4. If the Emergency Clause is not approved pursuant to  
4 the requirements of the Oklahoma Constitution as part of this  
5 measure, the effective date of Section 2 of this act shall be  
6 November 1, 2022.

7 SECTION 5. Except as otherwise provided by Section 3 of this  
8 act, Section 1 of this act shall become effective immediately upon
