15 Section 2259. A. The Commission shall prescribe and collect
16 reasonable rates, fees, tolls or charges for the services,
17 facilities and commodities rendered by all property of the
18 Commission, a portion of which, may be pledged to the payment of
19 bonds issued pursuant to this act. The Commission shall revise the
20 rates, fees, tolls or charges from time to time whenever necessary
21 to ensure that the revenues to be derived therefrom shall be fully
22 sufficient to pay principal of and interest on such bonds. The
23 gross revenues derived by the Commission from the operation of any
24 part or parts of the properties of the Commission, but no revenues

1 derived by the Commission through legislative appropriation or from
2 sources other than operation of the properties of the Commission,
3 may be pledged to the payment of principal and interest.

4 Notwithstanding any other provisions of law, the Commission may use
5 money derived from annual legislative appropriations on a year-to-

8 Sections 1085.51 and 1085.71 et seq. of Title 82 of the Oklahoma
9 Statutes.

10 B. The Commission is hereby authorized to construct
11 improvements in several parks and authorize the issuance of bonds
12 for all such improvements, and to pledge for the payment of the
13 bonds and the interest thereon, revenues derived by the Commission
14 from the operation of any or all of the parks in which any
15 consolidated bond issue has been authorized.

16 C. The Commission is further authorized to construct state-of-
17 the-art tourism information centers on interstate highways
18 including, but not limited to, entry points near the borders of the
19 state and major metropolitan areas, and authorize the issuance of
20 bonds for all construction projects, and to pledge for the payment
21 of such bonds and the interest thereon, revenues derived by the
22 Commission from the lease or operation of any or all of the tourism
23 information centers for which any such consolidated bond issue has
24 been authorized.

1 D. All tourism information centers' family or assisted-use
2 toilet and bathing rooms shall include a universal changing station

10 than eight (8) inches, and raising to a height no less
11 than thirty-four (34) inches, above finished floor
12 elevation, and

14 (350) pounds.

15 2. Where a building is provided with more than one family or

17 require a Universal Changing Station. Where this exception is
18 utilized, signage shall be provided at all such rooms indicating the

2 Each bond shall recite in substance that such bond and the interest
3 thereon is payable solely from the revenues pledged to the payment
4 thereof, and that such bond does not constitute a debt of the
