9       An Act relating to energy; creating the Oklahoma  
10      Emergency Energy Availability Act of 2022; providing  
11      short title; defining terms; directing certain  
12      entities to develop certain energy plans; requiring  
13      certain entities to include a certain number of  
14      energy sources in an energy policy or emergency  
15      energy plan; directing the Oklahoma Department of  
16      Emergency Management to promulgate rules for certain  
17      provisions; providing for codification; and providing  
18      an effective date.

22   BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

23       SECTION 1.       NEW LAW       A new section of law to be codified  
24      in the Oklahoma Statutes as Section 9060 of Title 74, unless there  
is created a duplication in numbering, reads as follows:

A.   This act shall be known and may be cited as the "Oklahoma  
Emergency Energy Availability Act of 2022".

B.   As used in the Oklahoma Emergency Energy Availability Act of  
2022:

1        1. "Energy policy" means any policy or commitment pertaining to  
2 the sourcing of electrical power generation, energy conservation  
3 methods, or energy development; and

4        2. "Energy source" means any source used to generate electric  
5 power including but not limited to biomass, coal, hydroelectricity,  
6 natural gas, hydrogen, nuclear, oil, solar, water, and wind.

7        C. 1. On or after the effective date of this act, any agency,  
8 department, bureau, system of higher education, school district,  
9 township, or municipality within this state which has an energy  
10 policy in place or that chooses to develop an energy policy shall  
11 develop an emergency energy plan detailing methods or sources of  
12 energy during a state of emergency.

13        2. On or after the effective date of this act, any agency,  
14 department, bureau, system of higher education, school district,  
15 township, or municipality within this state which has or develops an  
16 energy policy and an emergency energy plan pursuant to paragraph 1  
17 of this subsection shall not source energy for such plans from a  
18 single energy source and shall develop policies for the acquisition  
19 of electrical power generated from at least three distinct energy  
20 sources.

21        D. The Oklahoma Department of Emergency Management shall  
22 promulgate rules to effectuate the provisions of this section.  
23  
24

SECTION 2. This act shall become effective November 1, 2022.
