Notwithstanding any provision contained in an ordinance, resolution or project plan, an ordinance or resolution establishing an increment district shall constitute a legislative act and may be repealed, modified or amended at any time during the term of the increment district, by subsequent action of the governing body except as otherwise authorized pursuant to Sections 854 and 863 of this title; provided, however, that no such ordinance shall be repealed, modified or amended during the time that any bonds payable from incremental revenues are outstanding without the consent of the bondholders, if such bonds are issued pursuant to the provisions of Article X, Section 35 of the Oklahoma Constitution following its amendment by State Question No. 693.

If, after the completion of such construction or expansion or after three (3) years from the start of initial construction or expansion, whichever occurs first, the construction, acquisition or expansion has not resulted in a net increase in the amount of annualized base payroll, if required, or any other qualification specified in this paragraph has not been met, the manufacturing concern shall pay an amount equal to the amount of any exemption granted, including penalties and interest thereon, to the Tax Commission for deposit to the Ad Valorem Reimbursement Fund;

~~d. is owned by an applicant that has filed multiple applications for exemption pursuant to this section, and~~

~~e. is owned by an applicant that operates at least one facility in this state of at least seven hundred thirty thousand (730,000) square feet on June 1, 2009.~~

~~In the event that any applicant obtaining a waiver of the payroll requirement pursuant to this paragraph ceases to operate all of its facilities in this state on or before a date that is four (4) years after any initial application for an exemption is filed by such applicant, all sums of property taxes exempted under this paragraph through a waiver of the payroll requirement that relate to such application shall become due and payable as if such sums were~~

~~assessed in the year in which the applicant ceases to operate all of its facilities in the state;~~

~~6. Any new, acquired or expanded automotive final assembly manufacturing facility which does not meet the requirements of paragraph 4 of this subsection shall be granted an exemption only if all other requirements of this section are met and only if the investment cost of the construction, acquisition or expansion of the manufacturing facility is Three Hundred Million Dollars ($300,000,000.00) or more and the manufacturing facility retains an average employment of one thousand seven hundred fifty (1,750) or more full-time-equivalent employees in the year in which the exemption is initially granted and in each of the four (4) subsequent years only if an average employment of one thousand seven hundred fifty (1,750) or more full-time-equivalent employees is maintained in the subsequent year. Any property installed to replace property damaged by the tornado or natural disaster that occurred May 8, 2003, may continue to receive the exemption provided in this paragraph for the full five-year period based on the value of the previously qualifying assets as of January 1, 2003. The exemption shall continue in effect as long as all other qualifications in this paragraph are met. If the average employment of one thousand seven hundred fifty (1,750) or more full-time-equivalent employees is reduced as a result of temporary layoffs because of a tornado or natural disaster on May 8, 2003, then the~~

~~average employment requirement shall be waived for year 2003 of the exemption period. Calculation of the number of employees shall be made in the same manner as required under Section 2357.4 of this title for an investment tax credit. As used in this paragraph, "expand" and "expansion" shall mean and include any increase to the size or scope of a facility as well as any renovation, restoration, replacement or remodeling of a facility which permits the manufacturing of a new or redesigned product;~~
