19       2. Upon the request of the state agency to dispose of real  
20 property, the Office of Management and Enterprise Services shall:

- 21           a. obtain at least one complete appraisal made by a  
22           person certified by the Real Estate Appraiser Board of  
23           the Oklahoma Insurance Department, who shall  
24           ascertain:

- (1) the present fair value of the property,
- (2) the present value of the improvements on such property, and
- (3) the actual condition of the improvements on the property,

b. after completion of the provisions of subsection L of this section, cause notice of such sale to be published for at least one (1) day in a newspaper of general statewide circulation authorized to publish legal notices, and weekly for three (3) consecutive weeks in a newspaper of general circulation published in the county or counties in which the property is located. The notice shall contain the legal description of each parcel of real property to be offered for sale, the appraised value thereof, the time and location of the sale or opening of the bids, and terms of the sale including the fact that no parcel of property shall be sold for less than ninety percent (90%) of the appraised value of the real property; provided, in lieu of such procedure, the information may be published electronically on the Office of Management and Enterprise Services' website if the notice of sale and instructions on accessing the public information are published in a newspaper of

11          such property, and

12          d.   if the property is being disposed of in compliance  
13          with Section 908 of Title 62 of the Oklahoma Statutes,  
14          the Office may auction the property at public or  
15          electronic auction provided proper public notice is  
16          given in compliance with this section and the property  
17          has been approved for liquidation by the Long-Range  
18          Capital Planning Commission. The Office of Management
