An Act relating to motor vehicles; amending 47 O.S. 2011, Section 11-801, as last amended by Section 1, Chapter 55, O.S.L. 2019 and Section 2, Chapter 237, O.S.L. 2018 (47 O.S. Supp. 2020, Sections 11-801 and 11-801e), which relate to speeding violations; removing certain expiration date; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 47 O.S. 2011, Section 11-801, as last amended by Section 1, Chapter 55, O.S.L. 2019 (47 O.S. Supp. 2020, Section 11-801), is amended to read as follows:

Section 11-801. A. Any person driving a vehicle on a highway shall drive the same at a careful and prudent speed not greater than nor less than is reasonable and proper, having due regard to the traffic, surface and width of the highway and any other conditions then existing. No person shall drive any vehicle upon a highway at a speed greater than will permit the driver to bring it to a stop within the assured clear distance ahead.

1       B. Except when a special hazard exists that requires lower  
2 speed for compliance with subsection A of this section, the limits  
3 specified by law or established as hereinafter authorized shall be  
4 maximum lawful speeds, and no person shall drive a vehicle on a  
5 highway at a speed in excess of the following maximum limits:

6       1. On a highway or part of a highway, unless otherwise  
7 established in law, a speed established by the Department of  
8 Transportation on the basis of engineering and traffic  
9 investigations used to determine the speed that is reasonable and  
10 safe under the conditions found to exist on the highway or part of  
11 the highway;

12       2. For a school bus, fifty-five (55) miles per hour on paved  
13 two-lane roads except on the state highway system, the interstate  
14 highway system and the turnpike system where the maximum shall be  
15 sixty-five (65) miles per hour;

16       3. On any highway outside of a municipality in a properly  
17 marked school zone, twenty-five (25) miles per hour, provided the  
18 zone is marked with appropriate warning signs placed in accordance  
19 with the latest edition of the Manual on Uniform Traffic Control  
20 Devices. The Department of Transportation may determine on the  
21 basis of an engineering and traffic investigation that a speed limit  
22 higher than twenty-five (25) miles per hour may be reasonable and  
23 safe under conditions as they exist upon a highway, and post an  
24 alternative school zone speed limit. The Department shall mark such

1 school zones, or entrances and exits onto highways by buses or  
2 students, so that the maximum speed provided by this section shall  
3 be established therein. Exits and entrances to controlled-access  
4 highways which are within such school zones shall be marked in the  
5 same manner as other highways. The county commissioners shall mark  
6 such school zones along the county roads so that the maximum speed  
7 provided by this section shall be established therein. The signs  
8 may be either permanent or temporary. The Department shall give  
9 priority over all other signing projects to the foregoing duty to  
10 mark school zones. The Department shall also provide other safety  
11 devices for school zones which are needed in the opinion of the  
12 Department;

13 4. Twenty-five (25) miles per hour or a posted alternative  
14 school zone speed limit through state schools located on the state-  
15 owned land adjoining or outside the limits of a corporate city or  
16 town where a state educational institution is established;

17 5. Thirty-five (35) miles per hour on a highway in any state  
18 park or wildlife refuge. Provided, however, that the provisions of  
19 this paragraph shall not include the State Capitol park area, and no  
20 person shall drive any vehicle at a rate of speed in excess of  
21 fifty-five (55) miles per hour on any state or federal designated  
22 highway within such areas; and

23 6. For any vehicle or combination of vehicles with solid rubber  
24 or metal tires, ten (10) miles per hour.

1       The maximum speed limits set forth in this section may be  
2 altered as authorized in Sections 11-802 and 11-803 of this title.

3       C. The Commission is hereby authorized to prescribe maximum and  
4 minimum speeds for all vehicles and any combinations of vehicles  
5 using controlled-access highways. Such regulations shall become  
6 effective after signs have been posted on these highways giving  
7 notice thereof. Such regulations may apply to an entirely  
8 controlled-access highway or to selected sections thereof as may be  
9 designated by the Commission. A speed limit of seventy-five (75)  
10 miles per hour may be set in locations comprising rural segments of  
11 the interstate highway system by the Commission; provided, however,  
12 that speed is determined to be safe and reasonable after a traffic  
13 or engineering study has been completed by the Department. It shall  
14 be a violation of this section to drive any vehicle at a faster rate  
15 of speed than such prescribed maximum or at a slower rate of speed  
16 than such prescribed minimum. However, all vehicles shall at all  
17 times conform to the limits set forth in subsection A of this  
18 section.

19       Copies of such regulations certified as in effect on any  
20 particular date by the Secretary of the Commission shall be accepted  
21 as evidence in any court in this state. Whenever changes have been  
22 made in speed zones, copies of such regulations shall be filed with  
23 the Commissioner of Public Safety.

1 D. The Oklahoma Turnpike Authority is hereby authorized to  
2 prescribe maximum and minimum speeds for trucks, buses and  
3 automobiles using turnpikes; provided, however, a speed limit of  
4 eighty (80) miles per hour may be set in locations comprising the  
5 turnpike system, as may be approved by the Authority. The  
6 regulation pertaining to automobiles shall apply to all vehicles not  
7 commonly classified as either trucks or buses. Such regulations  
8 shall become effective only after approval by the Commissioner of  
9 Public Safety, and after signs have been posted on the turnpike  
10 giving notice thereof. Such regulations may apply to an entire  
11 turnpike project or to selected sections thereof as may be  
12 designated by the Oklahoma Turnpike Authority. It shall be a  
13 violation of this section to drive a vehicle at a faster rate of  
14 speed than such prescribed maximum speed or at a slower rate of  
15 speed than such prescribed minimum speed. However, all vehicles  
16 shall at all times conform to the requirements of subsection A of  
17 this section.

18 Copies of such regulations, certified as in effect on any  
19 particular date by the Secretary of the Oklahoma Turnpike Authority,  
20 shall be accepted in evidence in any court in this state.

21 E. The driver of every vehicle shall, consistent with the  
22 requirements of subsection A of this section, drive at an  
23 appropriate reduced speed when approaching and crossing an  
24 intersection or railway grade crossing, when approaching and going

1 around a curve, when approaching a hillcrest, when driving upon any  
2 narrow or winding roadway, and when special hazard exists with  
3 respect to pedestrians or other traffic, or by reason of weather or  
4 highway conditions. The Oklahoma Department of Transportation and  
5 the Oklahoma Turnpike Authority may post, by changeable message sign  
6 or other appropriate sign, a temporary reduced speed limit for  
7 maintenance operations or when special hazards with respect to  
8 pedestrians, other traffic, an accident, by reason of weather or  
9 when other hazardous highway conditions exist.

10 F. 1. No person shall drive a vehicle on a county road at a  
11 speed in excess of fifty-five (55) miles per hour unless posted  
12 otherwise by the board of county commissioners, as provided in  
13 subparagraphs a through c of this paragraph, as follows:

14 a. the board of county commissioners may determine, by  
15 resolution, a maximum speed limit which shall apply to  
16 all county roads which are not otherwise posted for  
17 speed,

18 b. the board of county commissioners shall provide public  
19 notice of the speed limit on all nonposted roads by  
20 publication in a newspaper of general circulation in  
21 the county. The notice shall be published once weekly  
22 for a period of four (4) continuous weeks, and  
23

1 c. the board of county commissioners shall forward the  
2 resolution to the Director of the Department and to  
3 the Commissioner of Public Safety.

5 determined pursuant to the provisions of subparagraphs a through c  
6 of paragraph 1 of this subsection, on the county line marker where  
7 any state highway enters a county and at all off-ramps where  
8 interstate highways or turnpikes enter a county. The signs shall  
9 read as follows:
