1 be required to be submitted to the Division. Thereafter, in the
2 collection of health care data, the Division shall whenever possible
3 utilize existing health data resources and avoid duplication in the
4 collection of health care data.

5 5. Except as provided by Section 1-120 of this title and as
6 otherwise authorized by the provisions of the Oklahoma Health Care
7 Information System Act, the provisions of the Oklahoma Health Care
8 Information System Act shall not be construed to lessen or reduce
9 the responsibility of the information provider with regard to:

- 10 a. the accuracy of the data or information submitted,
- 11 b. liability for release of the data or information to
- 12 the Division, data processor or as otherwise
- 13 authorized by this section, or

23 confidential shall not be transferred to any entity by the Division
24 unless a separate written agreement for such transfer has been

1 executed with the state agency, board or commission providing the
2 information to the Division.

3 SECTION 2. AMENDATORY 63 O.S. 2021, Section 1-120, is
4 amended to read as follows:

5 Section 1-120. A. Except as otherwise provided by Section 1-
6 119 of this title, the individual forms, computer tapes, or other
7 forms of data collected by and furnished to the Division of Health
8 Care Information or to a data processor pursuant to the Oklahoma
9 Health Care Information System Act shall be confidential and shall
10 not be public records as defined in the Oklahoma Open Records Act.

11 B. After approval by the State Department of Health, the
12 compilations prepared for release or dissemination from the data
13 collected, except for a report prepared at the request of an
14 individual data provider containing information concerning only its
15 transactions, shall be public records. ~~The Division shall establish~~
16 ~~a Health Care Information Advisory Committee as provided in Section~~
17 ~~1-122 of this title, to assist with determinations related to data~~
18 ~~collection, and information to be released and disseminated to the~~
19 ~~public.~~

20 C. The confidentiality of identifying information is to be
21 protected and the pertinent statutes, rules and regulations of ~~the~~
22 ~~State of Oklahoma~~ this state and of the federal government relative
23 to confidentiality shall apply.

4 data analysis.

5 E. The Division or other state agency receiving information
6 pursuant to the Oklahoma Health Care Information System Act shall be
7 subject to the same confidentiality restrictions imposed by state or
8 federal law as the public or private agency providing the
9 information and is prohibited from taking any administrative,
10 investigative or other action with respect to any individual on the
11 basis of the identifying information. The Division data analyzer or
12 other state agency receiving information pursuant to the Oklahoma
13 Health Care Information System Act is further prohibited from
14 identifying, directly or indirectly, any individual in any report of
15 scientific research or long-term evaluation, or otherwise disclosing
16 identities in any manner.

17 F. Except as otherwise authorized by the Oklahoma Health Care
18 Information System Act, identifying information submitted to the
19 Division which would directly or indirectly identify any person
20 shall not be disclosed by the Division either voluntarily or in
21 response to any legal process, unless directed to by a court of
22 competent jurisdiction, granted after application showing good cause
23 therefor with notice of the hearing to the Division. In assessing
24 good cause the court shall only grant such application if it seeks

1 to challenge the statistical efficacy of a finding made by the
2 Division or alleges a violation of confidentiality by the Division.
3 Such application shall then be granted only when the public interest
4 and the need for disclosure outweighs the injury to the person, to
5 the physician-patient relationship, and to the treatment services.
6 Upon the granting of such order, the court, in determining the
7 extent to which any disclosure of all or any part of any record is
8 necessary, shall impose appropriate safeguards against unauthorized
9 disclosure.

10 G. Any person who submits or receives data as required or
11 authorized by the Oklahoma Health Care Information System Act shall
12 be immune from liability in any civil action for any action taken as

15 the same or similar acts to which the person is otherwise entitled.

16 H. Any person who violates the confidentiality provisions of
17 this section shall be punishable by a fine of Five Thousand Dollars
18 (\$5,000.00).
