SENATE BILL NO. 170

By: Howard of the Senate

and

Kannady of the House

An Act relating to judicial authorization for anatomical gift; amending 10A O.S. 2011, Section 1-3-102, which relates to medical care and treatment of child in protective custody; authorizing court to order procurement of anatomical gifts under certain circumstances; amending 63 O.S. 2011, Sections 2200.8A, 2200.9A and 2200.10A, which relate to the Oklahoma Uniform Anatomical Gift Act; providing exceptions; conforming language; updating statutory references; and providing an effective date.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 10A O.S. 2011, Section 1-3-102, is amended to read as follows:

Section 1-3-102. A. For purposes of this section:

1. "Routine and ordinary medical care and treatment" includes any necessary medical and dental examinations and treatment, medical screenings, clinical laboratory tests, blood testing, preventative care, health assessments, physical examinations, immunizations, contagious or infectious disease screenings or tests and care required for treatment of illness and injury, including x-rays,

1 stitches and casts, or the provision of psychotropic medications but
2 does not include any type of extraordinary care; and

3 2. "Extraordinary medical care and treatment" includes, but is
4 not limited to, surgery, general anesthesia, blood transfusions, or
5 invasive or experimental procedures.

6 B. If a child taken into protective custody without a court
7 order requires emergency medical care prior to the emergency custody
8 hearing, and either the treatment is related to the suspected abuse
9 or neglect or the parent or legal guardian is unavailable or
10 unwilling to consent to treatment recommended by a physician, a
11 peace officer, court employee or the court may authorize such
12 treatment as is necessary to safeguard the health or life of the
13 child. Before a peace officer, court employee or the court
14 authorizes treatment based on unavailability of the parent or legal
15 guardian, law enforcement shall exercise diligence in locating the
16 parent or guardian, if known.

17 C. 1. If a child has been placed in the custody of the
18 Department of Human Services, the Department shall have the
19 authority to consent to routine and ordinary medical care and
20 treatment. The Department shall make reasonable attempts to notify
21 the child's parent or legal guardian of the provision of routine and
22 ordinary medical care and treatment and to keep the parent or legal
23 guardian involved in such care.

1 2. In no case shall the Department consent to a child's
2 abortion, sterilization, termination of life support or a "Do Not
3 Resuscitate" order. The court may authorize the withdrawal of life-
4 sustaining medical treatment or the denial of the administration of
5 cardiopulmonary resuscitation on behalf of a child in the
6 Department's custody, and may additionally authorize anatomical
7 gifts to be procured from such child if the withdrawal of life-
8 sustaining medical treatment or denial of the administration of
9 cardiopulmonary resuscitation is authorized, upon the written
10 recommendation of a licensed physician of such withdrawal or denial
11 and of such procurement, as applicable, after notice to the parties
12 and a hearing.

13 3. Nothing herein shall prevent the Department from
14 authorizing, in writing, any person, foster parent or administrator
15 of a facility into whose care a child in its custody has been
16 entrusted, to consent to routine and ordinary medical care and
17 treatment to be rendered to a child upon the advice of a licensed
18 physician, including the continuation of psychotropic medication.

19 D. Consent for a child's extraordinary medical care and
20 treatment shall be obtained from the parent or legal guardian unless
21 the treatment is either related to the abuse or neglect or the
22 parent or legal guardian is unavailable or refuses to consent to
23 such care, in which case in an emergency, based upon recommendation
24 of a physician, the court may enter an ex parte order authorizing

1 such treatment or procedure in order to safeguard the child's health
2 or life. If the recommended extraordinary medical care and
3 treatment is not an emergency, the court shall hold a hearing, upon
4 application by the district attorney and notice to all parties, and
5 may authorize such recommended extraordinary care.

6 E. If a child has been placed in the custody of a person, other
7 than a parent or legal guardian, or an institution or agency other
8 than the Department, the court shall determine the authority of the
9 person, institution, or agency to consent to medical care including
10 routine and ordinary medical care and treatment and extraordinary
11 care. The parent, legal guardian, or person having legal custody
12 shall be responsible for the costs of medical care as determined by
13 the court.

14 SECTION 2. AMENDATORY 63 O.S. 2011, Section 2200.8A, is

19 F of this section, in the absence of an express, contrary indication
20 by the donor, a person other than the donor is barred from making,

3 B. A donor's revocation of an anatomical gift of the donor's
4 body or part under ~~Section 6 of this act~~ Section 2200.6A of this

6 ~~Section 4 or 9 of this act~~ Section 2200.4A or 2200.9A of this title
7 from making an anatomical gift of the donor's body or part under
8 ~~Section 5 or 10 of this act~~ Section 2200.5A or 2200.10A of this

17 D. A revocation of an anatomical gift of a donor's body or part
18 under ~~Section 6 of this act~~ Section 2200.6A of this title by a
19 person other than the donor does not bar another person from making
20 an anatomical gift of the body or part under ~~Section 5 or 10 of this~~
21 ~~act~~ Section 2200.5A or 2200.10A of this title.

22 E. In the absence of an express, contrary indication by the
23 donor or other person authorized to make an anatomical gift under
24 ~~Section 4 of this act~~ Section 2200.4A of this title, an anatomical

1 gift of a part is neither a refusal to give another part nor a
2 limitation on the making of an anatomical gift of another part at a
3 later time by the donor or another person.

4 F. In the absence of an express, contrary indication by the
5 donor or other person authorized to make an anatomical gift under
6 ~~Section 4 of this act~~ Section 2200.4A of this title, an anatomical
7 gift of a part for one or more of the purposes set forth in ~~Section~~
8 ~~4 of this act~~ Section 2200.4A of this title is not a limitation on

10 purposes by the donor or any other person under ~~Section 5 or 10 of~~
11 ~~this act~~ Section 2200.5A or 2200.10A of this title.
