Research Analysis

HB 1014 modifies the confidentiality of certain public health information. This measure requires certain information and records maintained by the State Department of Health to be confidential while excluding information and records held by certain entities. State Department of Health records are not required to be produced pursuant to the Oklahoma Open Records Act, though certain information is required to be released in accordance with federal law. This measure removes specific identification requirements on information release orders.

This measure prohibits the attendance of students having or suspected of having a communicable disease in public or private schools. The responsibility of removing such students is transferred from teachers to schools. This measure updates entities granting permission to return to school as:

- County Health Department
- State Department of Health
