Fiscal Analysis

The first floor amendment to HB 1026 provides that tuition and fees for law enforcement and criminal justice-related programs authorized in the floor version shall be similar to in cost to other programs and shall be set the State Board of Career and Technology Education.

Upon review and with consultation from CLEET, the measure is determined to have an unknown fiscal impact. Analysis of the measure by CLEET indicated that it cannot absorb the costs to establish and certify the programs at technology centers without a mechanism to collect a fee from students enrolling in the program.
