2nd Session of the 58th Legislature

Bill No.:	HB 1408
Version:	CS
Request Number:	10848
Author:	Rep. Pfeiffer
Date:	3/23/2022
Impact:	No Measurable Impact

Research Analysis

The committee substitute to HB 1408 modifies the requirements for a restricted commercial driver license for farm-related service industries. The measure provides that applicants for the restricted commercial driver license are exempt from the knowledge and skills test and allows for the use of the restricted license to be the maximum number of days allowed by federal law.

Fiscal Analysis

The measure modifies certain qualifier for the issuance of a restricted commercial driver license. The modifications may provide improved convenience for the applicant by allowing for exempting certain tests and providing for application for those with driver license from Oklahoma or other states. While the provisions may improve the efficiency in issuance, no measurable costs or savings are anticipated.
