

BILL SUMMARY
1st Session of the 58th Legislature

Bill No.:	HB 1683
Version:	Introduced
Request Number:	5156
Author:	Rep. Grego
Date:	2/8/2021
Impact:	\$0

Research Analysis

HB1683, as introduced, requires vaccinated animals to be properly marked with an official identification prescribed by the State Board of Agriculture. The measure also removes the requirement for the vaccinated animal to be tattooed.

Fiscal Analysis

According to officials at the Department of Agriculture, Food and Forestry, HB 1683 in its current form would not create a fiscal impact. As the Department is an appropriated agency, but does not foresee a need for new appropriations, HB 1683 should not have an impact on the State's budget or appropriations.
