Research Analysis

The proposed committee substitute for HB1836 requires the State Department of Education to develop a system for coding initial teacher certifications, including emergency certification, in order to report data on the pathways for initial teacher certification.

The measure also creates a Data Governance Council, which is tasked with:

- Monitoring and evaluating the impact of each teacher certification pathway as reported by the SDE
- Identifying data elements indicative of teacher workforce quality
- Establishing best practices in data management

Qualifications for the council members are established in the bill.
