

BILL SUMMARY
1st Session of the 58th Legislature

Bill No.:	HB2119
Version:	Introduced
Request Number:	5770
Author:	McEntire
Date:	2/8/2021
Impact:	Unknown

Research Analysis

HB 2119 requires the Oklahoma Health Care Authority to provide enhanced Federal Medical Assistance Percentage (FMAP) payments to participating nursing facilities when funds are made available. This measure also restricts the Oklahoma Health Care Authority from reducing other components of the nursing facility rate to offset increased revenue from temporarily enhanced FMAP payments.

Prepared By: Dan Brooks

Fiscal Analysis

Per the Oklahoma Health Care Authority, the exact fiscal impact is not easily determined; as HB 2119 does not specify a methodology and circumstances around any future, public health emergency is unknown.
