Research Analysis

HB 2271 allows a vehicle with a Purple Heart license plate to park in a handicapped parking space.

Fiscal Analysis

HB 2271, as introduced, excludes owners of a Purple Heart recipient license plate from the penalty for parking in a disabled parking space. The measure provides that any person issued a Purple Heart recipient license plate and that knowingly allows a person not issued that license plate to use that license plate shall be guilty of a misdemeanor upon conviction.

No direct impact to state revenues or expenditures is anticipated from passage of the measure.
