Research Analysis

The committee substitute to HB 2325 exempts retail implement dealers from escort vehicle requirements.

Fiscal Analysis

The committee substitute for HB 2325 modifies the requirements for pilot cars for oversized loads to exclude loads carrying retail implement equipment. The measure does not remove the requirement for an oversized weight permit and the Department of Public Safety does not provide escorts for these oversized loads.

No direct impact to state revenues or expenditures is anticipated from passage of the measure.
