

BILL SUMMARY
1st Session of the 58th Legislature

Bill No.:	HB 2691
Version:	INT
Request Number:	6172
Author:	Rep. Hasenbeck
Date:	2/20/2021
Impact:	No Impact

Research Analysis

HB2691, as introduced, requires the Commission for Educational Quality and Accountability to issue a report detailing factors in the public education system that contribute to improvements in:

- High school graduation rates and college and career assessment scores
- Reduced remediation rates, and timely college graduation rates
- Career readiness and the ability for new graduates to find in-state employment

If the Commission finds there is insufficient information to fulfill these requirements, the report shall contain recommendations for addressing information gaps between the State Department of Education, CareerTech, and the State Regents.

The report shall be submitted to the Speaker, Pro Tem, and Governor by October 31, 2021.
