**Research Analysis**

The proposed committee substitute1 to HB 2824 requires the Oklahoma Public Employees Retirement System to pay a certain amount to a qualified benefits administrator of an employer that does not participate in the health insurance benefit plans specified in this act.

Prepared By: Dan Brooks

**Fiscal Analysis**

HB 2824 in its current form adds “or other qualified benefits administrator” to subsection G of the relevant law. Neither the Office of Management & Enterprise Services nor the Oklahoma Public Employees Retirement System believe it will create a fiscal impact for their offices; therefore, there should be no fiscal impact for the State.
