

BILL SUMMARY
2nd Session of the 58th Legislature

Bill No.:	HB 3053
Version:	Introduced
Request Number:	8751
Author:	Rep. Boles
Date:	2/16/2022
Impact:	No direct fiscal impact anticipated

Research Analysis

HB 3053 provides and option for a sentence to be deferred when an offender successfully completes a drug court program.

Prepared By: Brad Wolgamott

Fiscal Analysis

The measure, as introduced, would allow participants in drug court programs, upon completion of the program, to have their sentences deferred if it is their first felony offense.

Upon review and with consultation from the District Attorneys Council, no direct fiscal impact is anticipated from passage of the measure. The changes to the administration of the drug court program made by the measure would not incur any additional costs to implement.

Prepared By: Clayton Mayfield

Other Considerations

None.
