

BILL SUMMARY
2nd Session of the 58th Legislature

Bill No.:	HB 3062
Version:	FULLPCS1
Request Number:	10296
Author:	Rep. Ranson
Date:	2/28/2022
Impact:	No State Impact

Municipal Impact: Minimal or No Impact

Research Analysis

HB 3062 allows for municipalities to publish notices and publications, that are required by law to be published in a newspaper, on a website maintained by or on behalf of the city or town for the same required period of time it was to be published in a newspaper. The measure also establishes that no power interruption or hardware or software failures related to the website, computer system, or portable device used to access the website can be used to invalidate the publishing of the notice or publication.

Fiscal Analysis

The measure relates to the utilization of a website for the posting of required notices and the ability of a newspaper to post certain notices on a website of or for the newspaper.

No state fiscal costs or savings will result from the provisions. Any costs or savings for municipalities are expected to be non-existent or minimal.
