Research Analysis

The subcommittee recommendation for HB3072 eliminates the part of the teacher salary schedule that specifies a higher wage for National Board certified teachers, and instead directs the State Board of Education to provide an annual \$5,000 bonus, over a five year period, to any teacher who attains National Board certification after July 1, 2022.

Any teacher who received National Board certification prior to July 1, 2022 will receive an annual \$5,000 bonus for the remaining time of the 10-year period since they were certified.
