House Bill 3138 Fiscal Impact

House Bill 3138 prohibits charging active duty or retired military admission fees for state parks. OTRD fully supports the house bill.

OTRD would provide a 100% discount in the Parking Pass program for properly identified military personnel. Military personnel not registered in the Parking Pass program could potentially receive a citation.

Impact

Current military visitation is roughly 2-4% or 4,752 per year. With the new discount, State Parks will be able to increase the rate of military visitation. The increase will include military families as well and further increase state park visitation.
