<b>Impact:</b>	<b>Preliminary (PCS):</b>

**Unknown Decrease in Income Tax Revenue**

**Research Analysis**

Pending

Prepared By: House Research Staff

**Fiscal Analysis**

The measure provides an income tax credit for employers and employees related to qualified software engineers.

While previous analysis completed by the Tax Commission on a prior version of the measure indicated a potential impact to revenue of as much as \$92,000,000, the current version has not been fully analyzed. Until such analysis is completed, the potential direct revenue decrease is unknown.
