Research Analysis

HB 3612 requires Oklahoma Health Care Authority (OHCA) to include a line item in their annual budget request filed with OMES to reflect the new state and federal funding necessary to meet additional costs associated with reimbursing nursing facilities and intermediate care facilities for individuals with intellectual disabilities at the most recent audited cost. The measure requires audited costs to be calculated by using the latest cost report submitted to OHCA.

Fiscal Analysis

From OHCA: There won't be a budget impact from us just having to include it in our budget request

The measure directs the Oklahoma Health Care to include an annual budget filed with OMES reflecting new state or federal funding necessary to meet the additional cost associated with nursing facilities and intermediate care facilities for people who have intellectual disabilities at the most recent audit cost.
