**Fiscal Analysis**

The first amendment to the first floor amendment is a page-line amendment. The amendment would change three phrases in the floor amendment. The fiscal impact of the first floor amendment is not modified by the first amendment.

Upon review and with consultation from the Office of Management and Enterprise Services, passage of the measure may have an unknown fiscal impact to the state. The impact to the state results from the applicability of the provisions of the measure to claimants who are state employees. Since the type of claim contemplated by the measure is not currently compensable, OMES is not able to generate an accurate estimate of the impact of the measure.
