HB 4017 directs the Department of Corrections to pay Correctional Teachers or Vocational Instructors in the Department of Corrections educational program the amount specified by the Department of Corrections Correctional Teacher Pay Scale based on credentials and years of experience, multiplied by a factor of 1.20. The Department of Corrections Correctional Teacher Pay Scale is to comply with the minimum salaries prescribed by the Minimum Salary Schedule established for public school teachers.

Fiscal Analysis

The measure, as introduced, would set in statute the salary schedule for correctional teachers and correctional vocational instructors. The salary schedule for correctional teachers and correctional vocational instructors would match the salary schedule for public school teachers established in [70 O.S. § 18-114.14](#).

The measure is under review for fiscal impact analysis.
