

BILL SUMMARY
2nd Session of the 58th Legislature

Bill No.:	HB 4044
Version:	INT
Request Number:	9170
Author:	Rep. Hasenbeck
Date:	2/18/2022
Impact:	Potential district-level impact

Research Analysis

HB4044 requires schools to provide remediation to high school students who score below benchmark on the subject area portions of the ACT or SAT exam.

Remediation may include:

- Extended instructional time during the school day
- Summer academy
- Tutoring
- Online coursework
- Course repetition

Prepared By: Emily Byrne

Fiscal Analysis

While the measure is not anticipated to have a negative impact on state appropriations or budget, it may result in a negative impact on the district-level.

Prepared By: Cole Stout

Other Considerations

None.
