

BILL SUMMARY
2nd Session of the 58th Legislature

Bill No.:	HB 4077
Version:	Floor Amendment 1
Request Number:	10606
Author:	Rep. Wallace
Date:	3/8/2022
Impact:	No direct fiscal impact anticipated

Research Analysis

The floor substitute to HB4077 allows the court to dismiss an action or a motion for summary judgement if the court determines the claim is proven knowingly false and provides a definition of "knowingly false".

Fiscal Analysis

The floor substitute to the measure removes the provision that establishes a 50% liability for nonprevailing attorneys. The substitute also adds a definition of "knowingly false".

Upon review, the measure deals with civil procedure and so no direct fiscal impact to the state is anticipated from passage of the measure.
