

BILL SUMMARY
2nd Session of the 58th Legislature

Bill No.:	HB4102
Version:	FULLPCS1
Request Number:	10544
Author:	Frix
Date:	3/3/2022
Impact:	Potential increase in revenue to OMMA

Research Analysis

The proposed committee substitute for HB 4102 creates a business license for a portable medical marijuana dispensary. The application fee will be \$25,000 with a \$5,000 yearly renewal fee, and the amount of portable dispensary licenses is limited to 10. Portable dispensaries cannot be motorized or self-propelled or have wheels or axles, and they must be equipped with a bulletproof window, steel security doors, a safe room, generator capabilities, and an external steel structure. Portable dispensary licensees are authorized to designate a specific area as a temporary medical marijuana consumption lounge immediately adjacent to or within 200 feet of the portable dispensary. Portable dispensary licensees may also operate multiple portable dispensaries at different locations at any one time, so long as the necessary permits have been obtained.
